Gloria,

I really think you
and I have been
such good friends
for a long time. I
still remember
all of the differences
we have had, but I
will never regret
our friendship. I hope
you continue your
golfing, and become
rich someday. I plan
on being super rich in
my old age. But I will never
be rich because I don't want
to get old. Love Ya Always,

Amy L. Bradbury

Kristin,

Well it was a real pleasure meeting you. I hope that we can go out before I go into the navy. I thing you are a real neat person and you are going to be a very good golfer too. Maybe you have one at stanting years to come at ferris. Well I hope even if I can beat you! well I get out of boot camp. that would be great. Well I think we all see you when I lost my temper at little.

P.E. Even if I lost my temper at little. So have a great sumer and stay out of trouble.

With Love forever

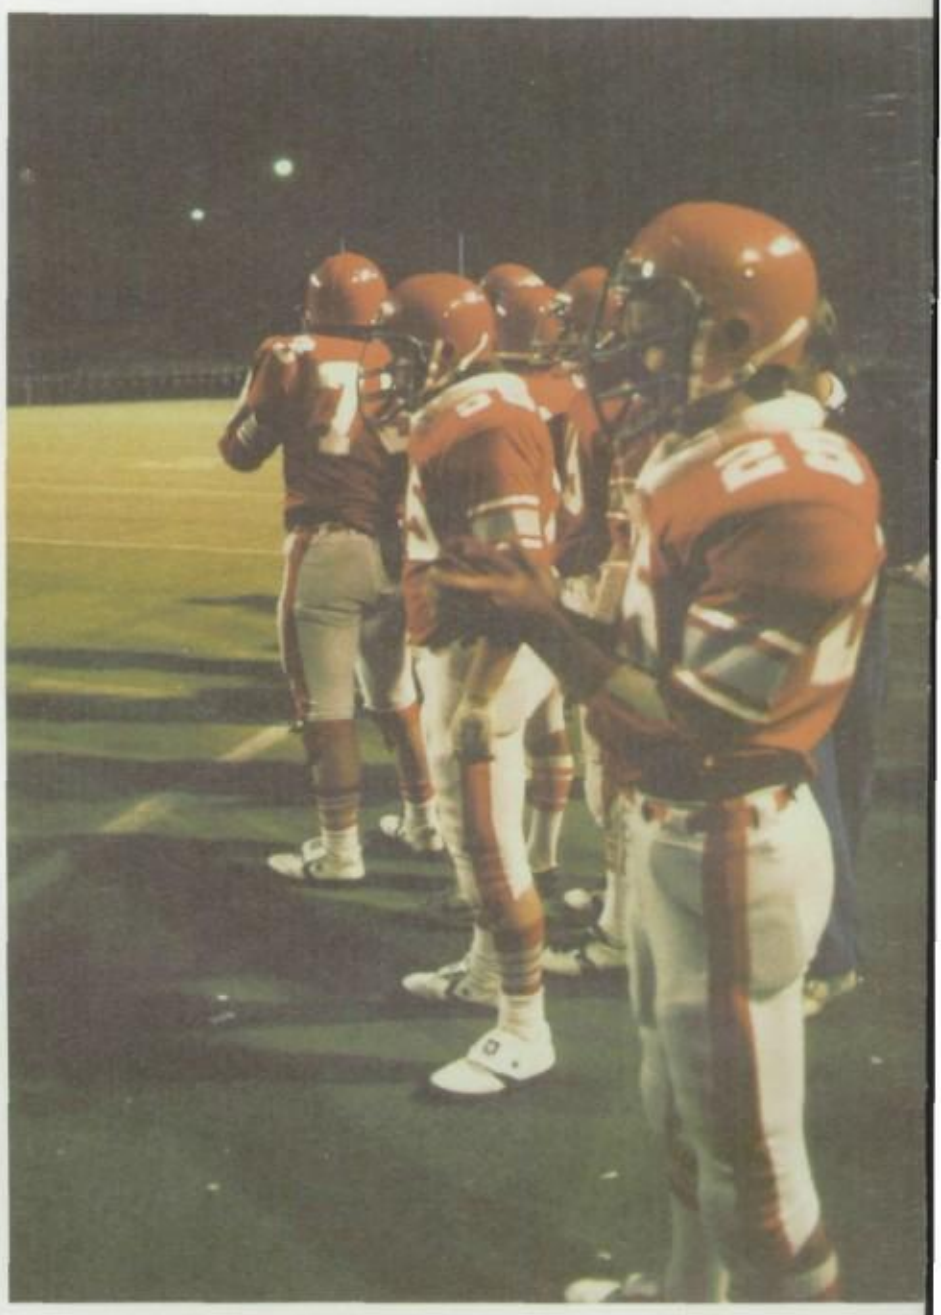
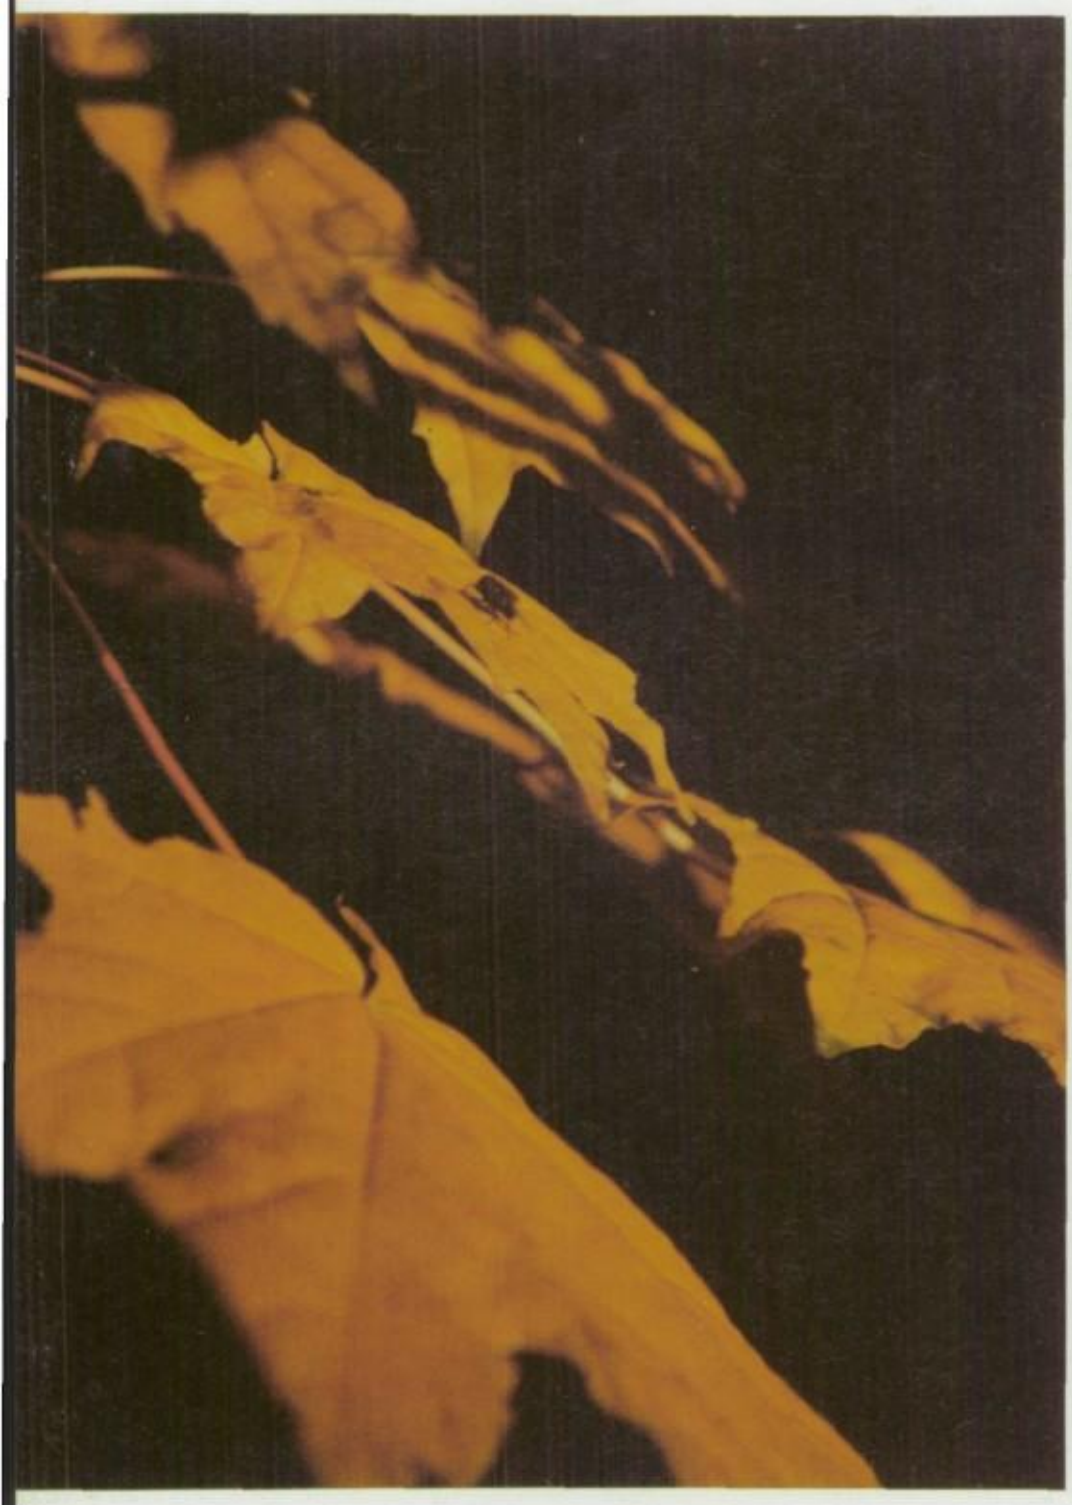
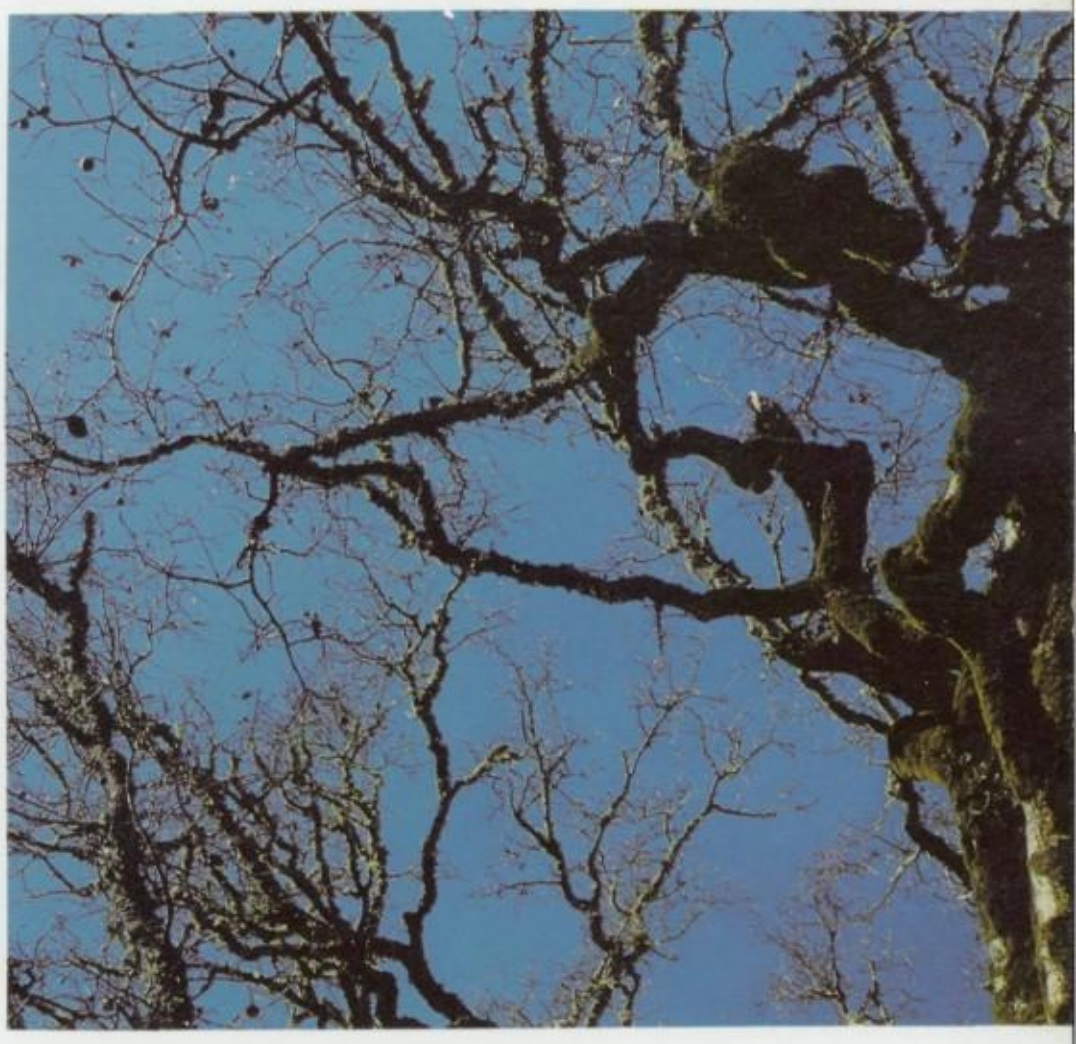
Seasons. .

All things change, you, me, the earth, the sun. Stages in a cycle that is irrevocable yet repeatable. Seasons are this way, four stages of a cycle. Each stage individual and different from the last. People follow a cycle much the same way. Years may pass, but we find ourselves at beginnings and endings throughout life. High school leaves us standing between an ending and a beginning a new season of our lives.

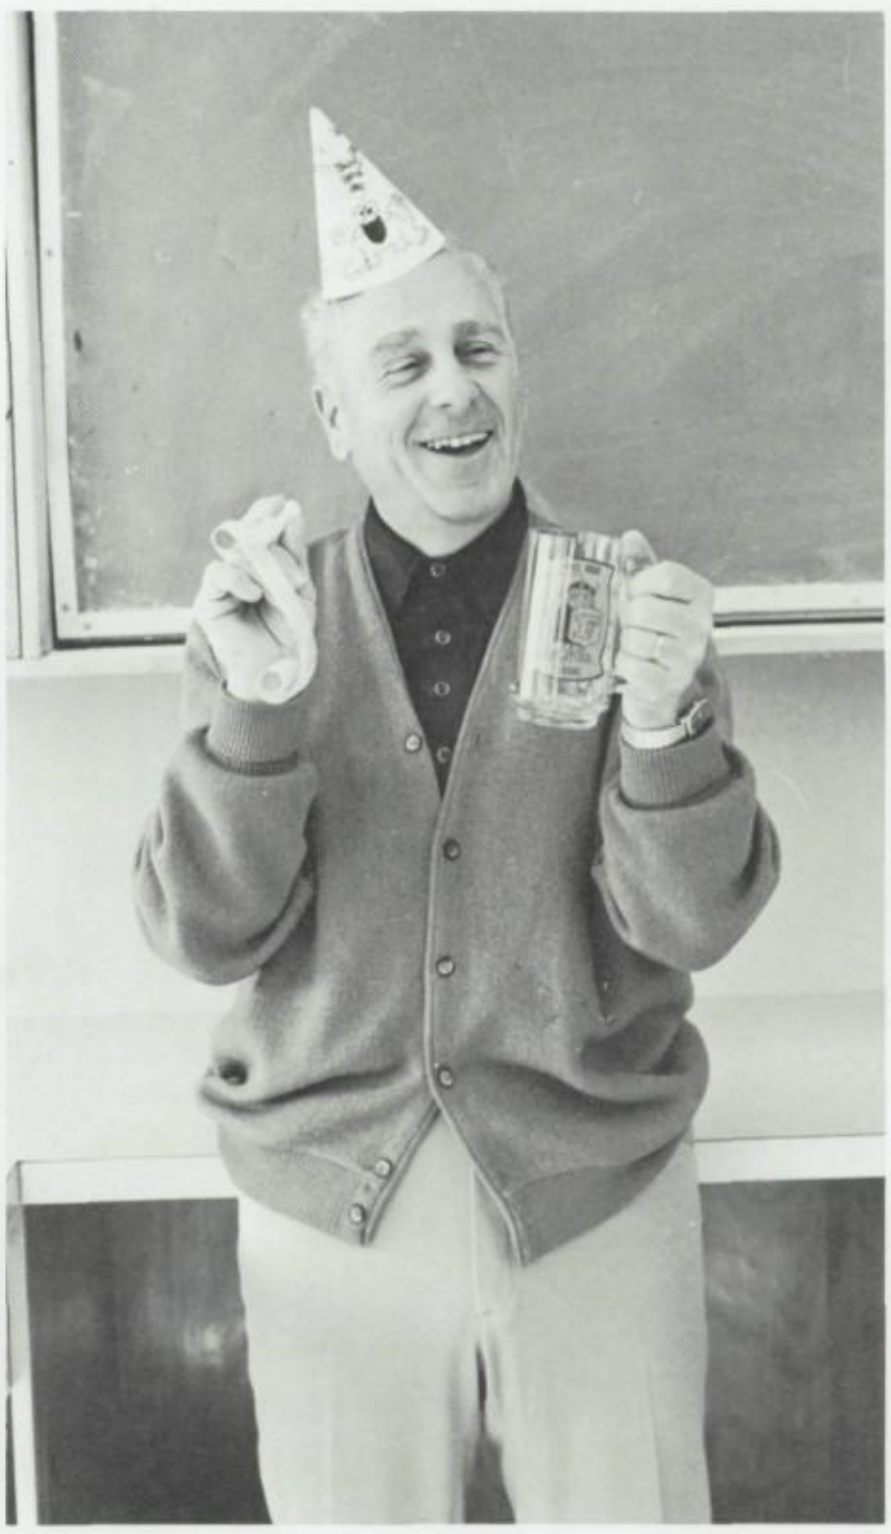






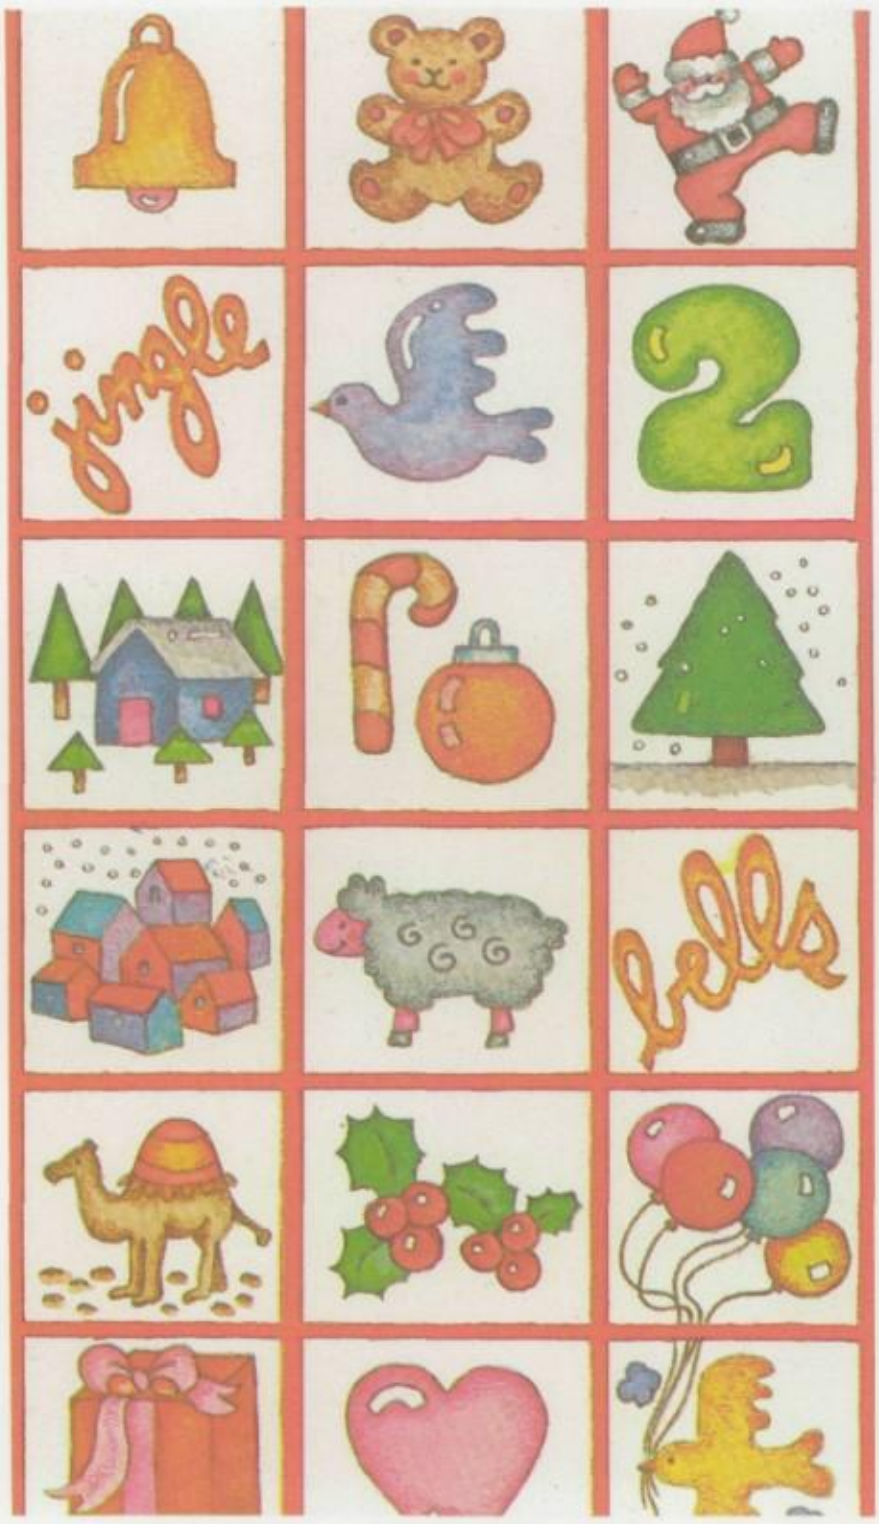
Autumn . . .

Autumn seems an old, familiar time of year, like coming home. Fall brings a warm feeling to almost everyone. For students, it is a beginning of a new year and a reviver of memories. Football games, warm coats, cheers and victories. And we can't forget the losses. The first mixer of the year where new friends and old friends all come together. A season of expectancy and hope; laughter and smiles; colored bright like the leaves on the trees.



Winter. .

Frosty and white the snow comes. Gray skies are everywhere. The days shorten. Chills penetrate the buildings. Sometimes winter can be cold and empty but it's always curable. Warm fires, snowball fights and sledding with friends brighten these short days. And when the sun comes out, it's a glorious sight. Shimmering and sparkling, the whole world seems clean and quiet.



School, a season of life. We grow and learn not only academics but the elements of life itself. We struggle to achieve these elements, yet bump into countless obstacles along the way and wonder why we put ourselves through the trouble and heartache it takes to find them. Finally reaching a goal, only to find another—higher and seemingly unreachable. The pain of rejection is forgotten when the joy of acceptance and comaraderie is found again.

HAVE A
HOLLY-JOLLY
VICTORY!

AUTUMN

Teacher's Strike . . .

Beginning on September 4 and finally ending on September 27, a first-ever Spokane teacher's strike delayed the start of school for 28,000 students in District 81. The strike was caused by a labor dispute involving many complicated issues. While the strike was an argument between two adult groups, the Teacher's Association and the School Board, the victims of this long strike were the students. In order to make up the fourteen lost school days students had a shortened spring vacation and were required to attend school until late June. Ferris teachers are shown here as they walked the picket line for a three week period. Interested groups of Saxon students also paraded in mass demonstrations aimed at showing both sides in the dispute that Spokane citizens wanted a compromise settlement. Marathon negotiating sessions along with public indignation and pressure finally helped bring about an end to the strike.

The Saxon football team experienced what could easily be called a disappointing season. Great potential was shown at the beginning of the season as Ferris was undefeated after four games. The possibility of reaching the Kingbowl seemed very real at that time. Injuries, however, coupled with the unfortunate dismissals of starting players, helped cause the squad to lose the remainder of their games. The losing record certainly did not reflect the talent the team possessed nor did it take away from the excitement of watching Saxon football.

Hello Week. . .

Because of the delayed start of school, Hello Week was nearly cancelled this year. A committee consisting of Vic Rudolph, Todd Andrews, Todd Nelson and Al Pokorny tried to salvage as much of the original plans as possible. Three modified days took the place of the usual week-long festivities. Included in the substitute celebration were Trike Races held on Wednesday during the lunch hour. Thursday was Suspender and Overall Day. The Varsity Cheerleaders helped plan the final day of Hello Week with a Spirit Con on Friday. Coach Niksich delivered a pep talk that inspired the team and the student body. The sophomore class candidates won the Gorgeous Legs Contest. Songs, Cheers and a funny skit entertained the capacity crowd.

Foreign Friends Find Ferris Fascinating

L-R: Nadine Meesen, Juan Penela, Roberto Saddi, Nancy Rodriguez.

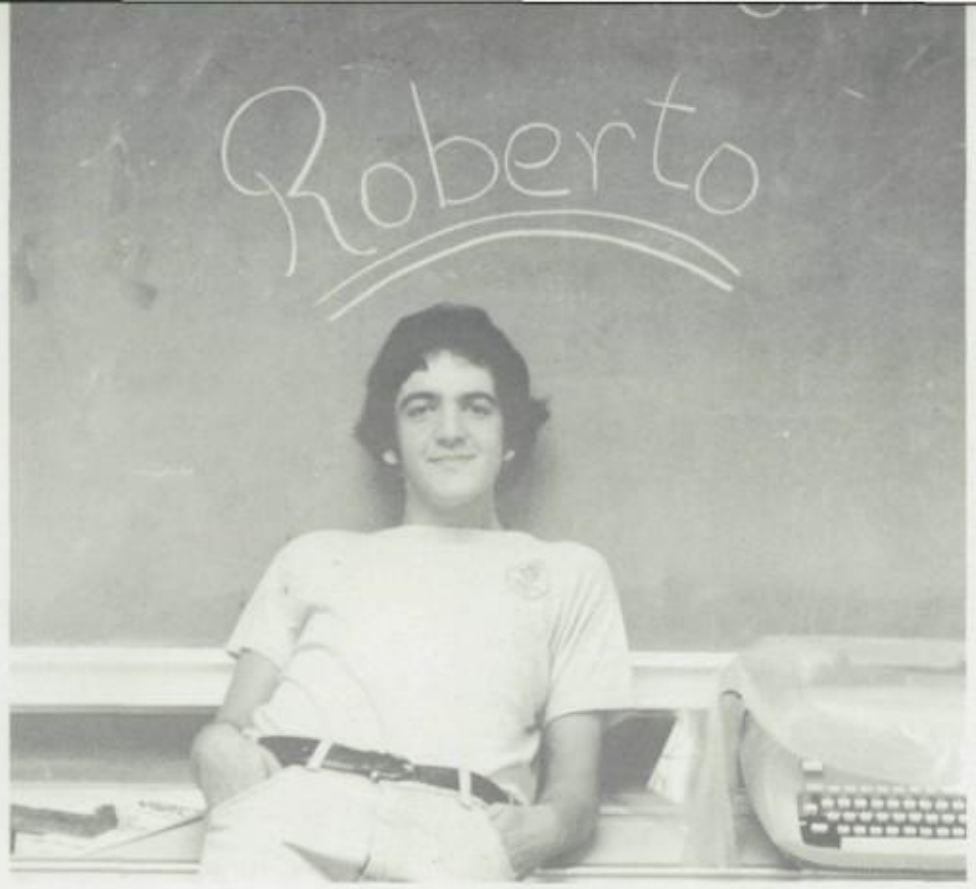
Nadine Meesen came to Ferris from Sint-truiden, Belgium, a little town that specializes in fruit and agriculture. She is staying with the Weilep family.

Not only is Nadine a member of Youth For Understanding, she likes to play tennis, snow ski, and go hunting in Luxembourg.

"I like the mountains surrounding Spokane as well as Riverfront Park and shopping in department stores," states Nadine.

One thing she didn't like was the dances, because she said that one couldn't dance by himself and that girls have to wait for guys to ask them to dance.

Nadine expressed her feelings about her visit when she said, "I love Ferris!"



Eighteen-year-old Roberto Saddi came to Ferris from Curitiba, Parana, Brazil. He arrived here in February 1979, and later decided that he didn't want to go back to Brazil.

Girls, soccer, tennis, volleyball, and American beverages are just a few of the things Roberto likes.

Aside from being in Spokane, Roberto spent 11 days in California, where he visited Disneyland, Universal Studios, Magic Mountain, and San Francisco. He has also been to Seattle and Priest Lake, Idaho.

His school year in the United States doesn't count in Brazil.

When he returns to Brazil, Roberto plans to study medicine and become a pediatrician.

Roberto plans to return to the United States eventually, but until then, he left this message for everyone at Ferris-"Thanks for everything!"

Nancy Rodriguez came from Veracruz, Mexico, where she has three brothers and one sister. She is staying with her uncle while she is in Spokane.

Playing tennis, running, and drawing are all hobbies of Nancy's. She also likes the parks in Spokane and the lakes during the summer. There is no snow in Mexico; therefore she wants to learn to snow ski here.

Mexico has a three-year high school program, according to Nancy. "It's hard to learn English in a class. I came here to speak it better," she explains.

When she returns to Mexico, Nancy plans to study different languages.

Juan Ignacio Penela came to Ferris from Caracas, Venezuela. He was born in Barcelona, Spain, 18 years ago.

There are five years of high school in Venezuela and students take eight subjects.

He stayed with Craig Wood and his family, who Juan says showed him the American way of life.

Girls, tennis, surfing, and soccer are a few of his interests. He also climbed 15,000-ft. Mt. Humboldt, the second highest peak in Venezuela.

Juan likes the people of Ferris more than anything. "I know a lot of friendly people and they all try to help me," he says.

When he returns to Venezuela, Juan plans to study industrial engineering in college.

Cross Country Is Awesome

"The Saxon girls had an outstanding year. We knew we had the ability to win, so it was just a question of how hard to work. By concentrating and really working hard we got better and better each week. We started out to win every meet and districts, and then place high at state. We reached every goal we set."

"Super job, Brian!"

"I think that this cross country team was one of the best in Ferris history. Their attitude in accepting hard work and striving to achieve high goals was excellent.

Our district 8 championship was one of the really great moments in our Ferris distance running tradition.

The state championship, our big goal, was marred when one of our runners fell and was injured. Our fourth place finish only made us more determined to drive for the top in 1980!"

The girls' team thoroughly trounced all opposition this year, finishing undefeated in league competition and then wiping out all other teams at districts. The team next moved on to state where they placed second, a feat never before accomplished by a girls' team east of the Cascades. The boys' team also brought much pride to Ferris. They lost only one meet in league, but came fighting back to avenge that loss at districts, where they too captured first. At state the boys took fourth.

Saxons whoop it up after GSL meet victories.

Their Spirit

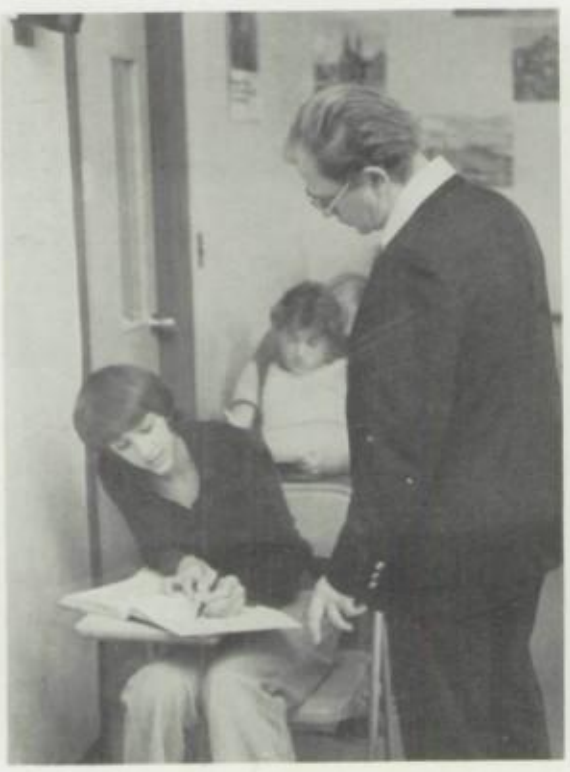
As students of life.
we are constantly learning, the
world is at our reach to grasp
to experience to live. . .

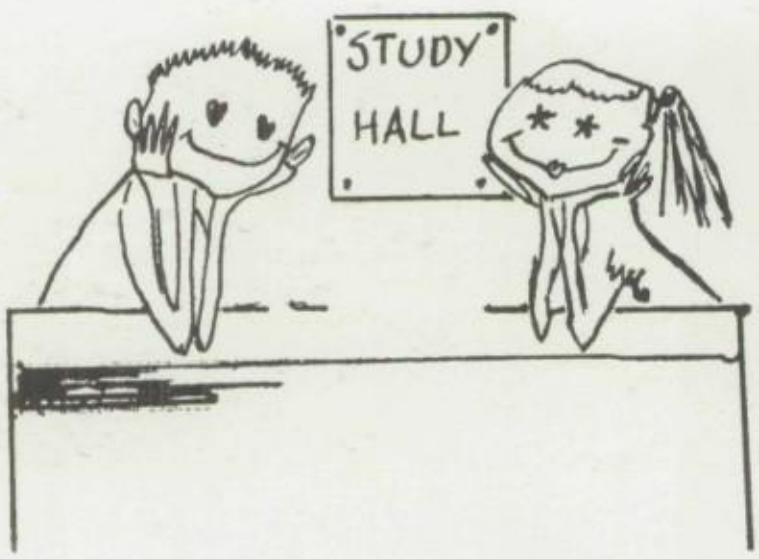
Students,
turning the pages of time we
grow older and more mature.
But for a few moments the world
is ours.
To experience, to learn, to live

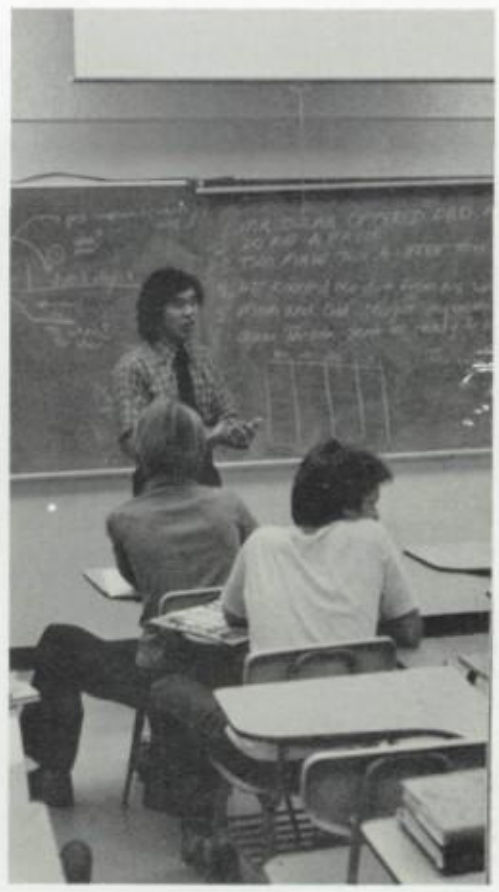
Many hours of practice at 7:00 A.M. every morning helped achieve the excellence shown by the Band, Flags, and Valkyrs.

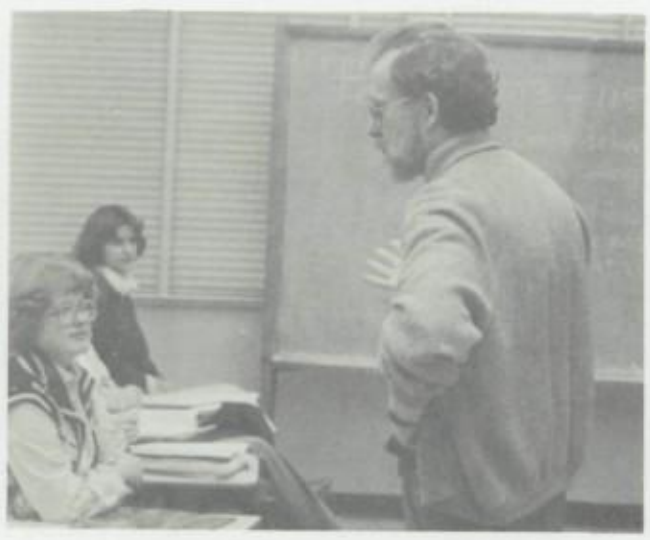
The performances during half-time showed the Super Saxon Spirit in action.

Academic Beginnings









Dogpatchers Prepare To Entertain

Ferris actors and actresses were busily preparing during October and November for the 1979 musical, "Li'l Abner." The show, with one of the largest casts ever at Ferris, went on stage December 6, 7, and 8, in the auditorium.

In addition to painstaking rehearsals, members of the cast constructed sets during evenings and on the weekends.

The musical showed many new faces this year, as many freshmen tried out.

The plot centered on Dogpatch, U.S.A., and the attempt of the citizens to find something necessary for the town, because the government wanted to test an atom bomb there.

During the rehearsal stage, Ferris' "Li'l Abner" promised to be an entertaining show.

"Li'l Abner"

Finished Up . . .

Ferris' drama and music departments presented the fall musical, "Li'l Abner," on December 6, 7, and 8, in the Ferris auditorium. The show played to large crowds each night.

The production was directed by Mr. H. James Brown, while Mr. Ron Wildey conducted the orchestra. Mr. Dale Shetler provided the choral instruction.

Matt Corey portrayed Li'l Abner and Sheryl McGrath played opposite him in the role of Daisy Mae. Mammy and Pappy Yokum were played by April Jenkins and Dan Taylor.

The show proved to be a big success for everyone involved.

Christmas

Activities

Along with a new term, a new season, and a new month, December brought the usual activities, including the annual Christmas Dance.

The December 14, 1979 Christmas Dance "Ice Castles" was put on by the Junior class. The band "Nightshift" provided music from 8:00-12:00p.m.

During December, the annual snowfall fell short. Skiers and winter enthusiasts were stuck at home till January. Once January blew around and the Christmas rush ended, old man winter arrived.

Other notable events which went on during the winter season are ice skating, porking out, and of course that old craze of partying . . .

Choirs Sing Of Christmas Cheer

The Ferris music department presented its annual Christmas concert on December 19. A large crowd was on hand to hear the sounds of the Holiday Season.

Mr. Dale Shetler and Mrs. Debbie Zimmerman conducted the choirs, and Mr. Ron Wildey conducted the Symphonic Band.

A variety of music was sung, including jazz, sacred, traditional, and contemporary.

At the end of the concert, all the choirs encircled the audience and sang a medley of carols.

Charity Drive Activities

Christmas is caring and sharing. Once again Ferris students and faculty participated in the Spokesman-Review Charity Drive. This is a city wide effort aimed at helping needy families at Christmas. Saxon generosity netted $2111.24. The super enthusiasm of Mr. Finley and his homeroom, G109, made them the winners in the homeroom competition with $413.00. Fun incentives designed to raise money included a fish swallowing event which Mr. Foster Walsh "won". Other money raising bets resulted in Al Pokorny wearing a cheerleader outfit to school and Todd Andrews shaving off half his moustache. Congratulations Ferris, on being the top school donator in the city.

Although the boys' basketball team struggled a bit this season, dedication and ability, as well as thrilling moments, certainly weren't lacking. Gordy Dixon, thought by many to be the best in the city, led a determined squad that contended in respectable fashion. Boys' J.V.

"It has truly been an enjoyable season for me because of the caliber of young men that I have been able to be around for the past four months. These men will succeed at anything they try in the future if they will maintain the same outlets. We had ups and downs, sometimes we were great and sometimes not. Spirit Week

Charged Up Students

Ferris' annual Spirit Week was held the week of January 7-11. Many exciting activities kept the students busy during the week. Nothing was scheduled for Monday, but the rest of the week was full.

Tuesday was Hat Day, and students throughout the school wore all kinds of head gear, ranging from baseball caps to sombreros to Mickey Mouse ears.

Wednesday was Girls' Sports Day, where attention was paid to those involved in girls' sports.

Thursday was Show Your Colors Day, where the students were asked to wear their school colors and seniors were requested to wear their new T-shirts. The con was also held that day.

Friday was Punk Rock Day, and students wore a variety of wild clothes around school. That night, the annual Senior Mixer was held in the cafeteria, with Night Shift as the band.

At the con on Thursday, the cheerleaders presented many exciting skits, and Mr. Kondo introduced the wrestling team. There was a visit from three (?) Rockys. The cheerleaders had their annual fund raiser this year with Brenda Thompson getting made into a sundae. Japanese wrestlers also made a visit!

Faced with tough competition in the early going, the Saxon wrestling team lost some key matches and fought an uphill battle the rest of the way. As the season progressed, the many young members on the varsity squad gained experience and the team's performance improved. Although the team did not win any honors with its final record of 10 wins and 7 losses, the four men pictured above advanced to state, where Dave Coulson placed second and Eric Bishop took fourth.

New head coach Mark Kondo expressed these thoughts about the season, "Hopefully, each wrestler can be proud of what he has accomplished this year and hopefully, each has become a better individual."

"I think we surprised some people at state. I thought we would finish fourth or fifth, but the girls really pulled through, especially Joan Carbaugh (first in floor exercise, and balance beam, third in vault and sixth on the bars), Karen Erickson (fifth in vault and beam, seventh in floor exercise), and Jane Quinn (eighth in floor exercise). We'll miss Joan next year, but we have some excellent returning people, including Karen and Jane."

Carbaugh Leads Saxons To State Meet

For the last two years, Saxon gymnastics has been simply devastating, going undefeated and winning team district and regional titles each year. Leading the champions was senior Joan Carbaugh, pictured above. Throughout her four years at Ferris, she has paced the team with her consistently high marks. Last year she placed second in all-round state competition. This year Joan captured the individual titles at the district and regional meets, and was edged out by only thirteen one-hundredths of a pcint for the state title.

Whoa donkey!

Donkey Basketball returned to Ferris on January 21 and once again the donkeys won! This fun event, sponsored this year by winter sports, featured a team of students versus a faculty team that was enthusiastically cheered on by a squad of teacher cheerleaders. A capacity crowd was thoroughly entertained by the antics of all the participants. Hee - Haw all you donkeys . . .

Ham It Up In "Hamalot"

This year's PTG show was "Hamalot." The show was directed by Homer Mason and had a very large cast.

The parents that were in the show started rehearsing in January, and continued all the way up to the student con on March 5. The evening performances were on March 6, 7, and 8.

The show was written by Mrs. Margaret Buffum and contained many laughs, good music, and fun dancing.

The show played to capacity crowds each time. The proceeds from the show went to various departments throughout Ferris.

"Here comes the King! Here comes the King!"

"It's the Pretty Maids All in a Row!"

"How Repulsive!"

Ferris' annual Lilac Con was presented on March 12 to a full capacity crowd. Judging was based on: 40% personality, poise, and talent; 40% appearance and attractiveness; and 20% speaking ability. All of the girls' hard work and pre-con jitters paid off as each girl was exceptional. Congratulations to Sherri Caviness, the winner!

Sherri Caviness was Ferris' 1980 Lilac Princess. During her four years at Ferris, she was involved in many activities, some of which included Varsity Cheerleader, Valkyr, Varsity Track and Volleyball, Varsity Club, Freshman Cheerleader, Camerata, Symphonic Choir, and various church group activities.

Sherri enjoys water skiing, playing the piano, dancing, and listening to mellow music.

Sherri's goals are to attend Brigham Young University in Utah and major either in home economics or music education and to get married and have a family.

Irish eyes were smiling at the Freshman - Sophomore class St. Patrick's Day Mixer, "Kiss Me — I'm Irish" held on March 14 in the school cafe. The theme of the dance put everyone in a lighthearted mood as the St. Paddy's Day revelers danced to the music of "High Society". It was a great day for shamrocks, leprechauns and "wearin' o' the green". No blarney, underclassmen, it was a great dance.

"For the first time in many years, Ferris has a big-meet track team; we have some people who can score points. We have a very good chance to win the city title, and there are six to twelve people capable of competing at the state level, including Mike Kinney, Rick Harris, Jeff Donaghy, Jeff Smith, Al Pokorny, Brit Brewer, and Jan Collins. I am really grateful to Mr. Caviness, who stepped down from head coach last year after 17 very successful years. He has employed his experience as assistant coach, and been a great help to me. Our season will greatly depend on the support of the Ferris student body. With it, we can go places."

-Coach James

"I expect that these girls will win the city title. Most of the girls are hard workers, and the younger girls are learning. Early in the season, we have had to depend on the distance runners, who have been training all year. Later, our sprinters will have to improve if we are to fulfill our potential. Our only problem may be our lack of depth in the field events, though we have one of the best long jumpers, one of the best javelin throwers, and one of the best discus throwers in the league. I'll be surprised if we lose a meet."

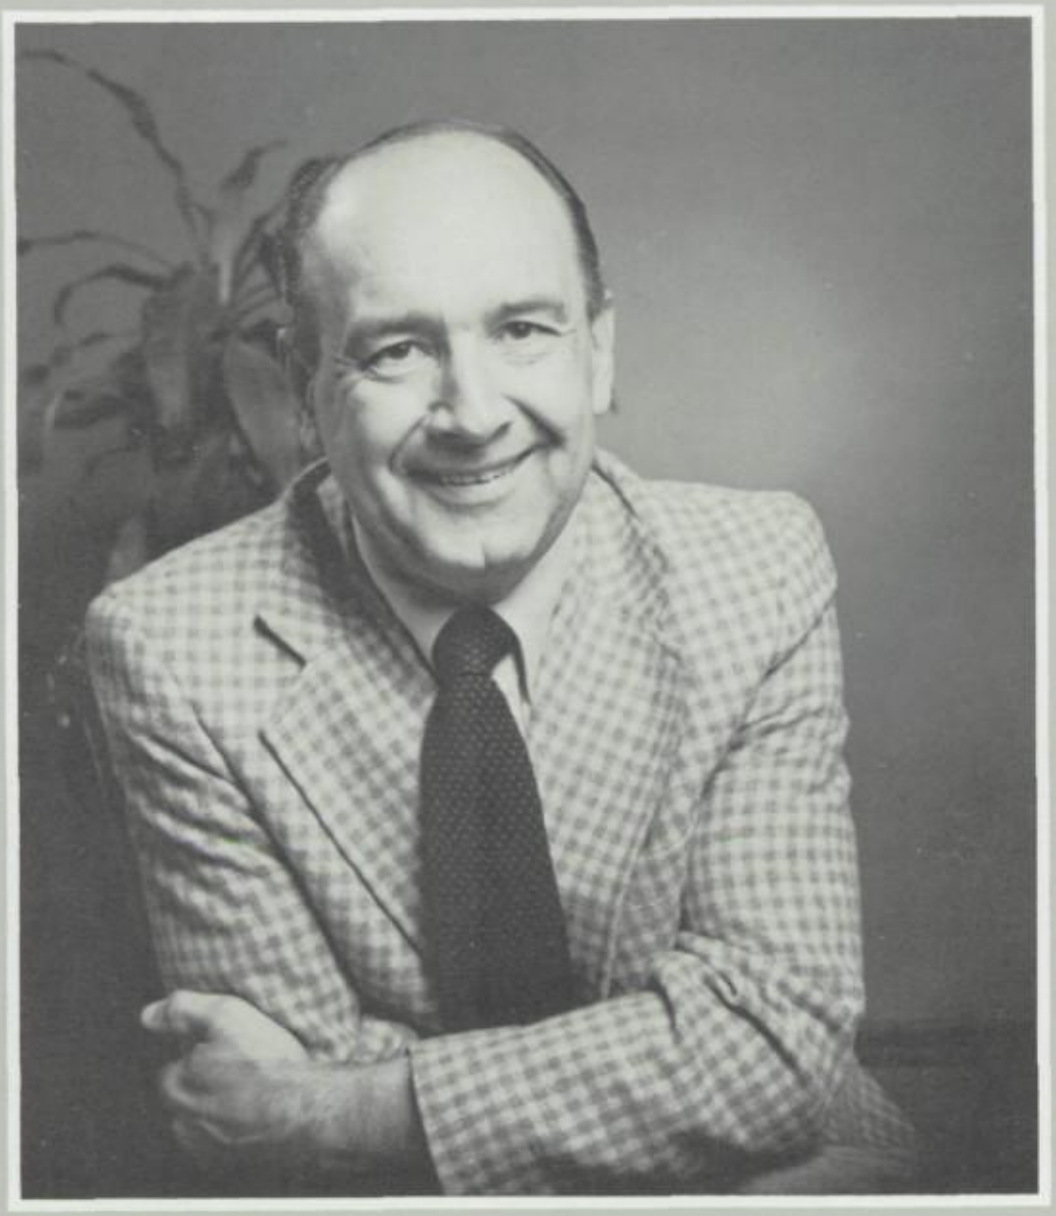
Administration



Now that Mr. Hutton and Mr. Weishaar have had another year to settle into their new school, they, along with Dr. Hogue, are doing an excellent job of keeping the school running smoothly. Administration is not always a well liked word but these men are the exception.

From top: Mr. Hutton, Principal; Dr. Hogue, Vice-Principal and Mr. Weishaar, Vice-Principal.

Counselors

If ever you have a problem, question, or a request, your counselor is the person to see. They have a solution to most every problem. Thanks to them, our needs are usually met.

Exeter Staff Exhibits Exuberance

Due to the lengthy teacher strike, the 1980 Exeter staff got off to a late start, but faced their obstacles with determination. During the summer several brainstorming sessions took place to come up with novel ideas for the first yearbook of the new decade. Throughout the year, the staff held fundraisers to pay off yearbook debts.

Chronicles Reviews The News

The Saxon Chronicles staff worked to bring up-to-date and interesting news to the Ferris student body. Under the guidance of the senior news writers, the reporters learned the ropes for the following year.

German Club

French Club

D.E.C.A. Defines Dedication

DECA, Distributive Education Clubs of America, continued to show their expertise in business. Highlighting the year were the pizza feed, luncheons, competitions, guest speakers, and field trips. The group, changing its name to Advanced Sales and Marketing, represented Ferris at the state and national conferences under the direction of Mr. Backlund.

Forensics Express

In the Forensics Department, the debators and speech students, excelled in tournaments and competitions throughout the school year. The group proved, with the help of Mrs. Sharon Meisenberg, one more reason why the Ferris Saxons are number one.

Stage Crew

Ferris drama enthusiasts belong to the International Thespian Society # 1506. The organization spent many dedicated hours putting together the productions, which include the musicals and the one-act plays. In the winter, the group applies make-up to PTG play members' faces for their shows. The Thespians sponsored fund-raisers, including the drama dance and rock-a-thons.

The Stage Crew builds the sets for the productions and cons held in the auditorium.

Guard Colors Performances

The Color Guard, consisting of approximately 20 members, performed in half-time shows at football and basketball games and marched in the Lilac Parade. The guard, guided by Captain Mary Walker and Jr. Captain Laura Smith, sewed new uniforms and flags in time for the basketball season.

Cheerleaders Spread Spirit. . .

The 1979-1980 Varsity Cheerleaders reinforced the spirit of the student body after the long school strike. Through the course of year, the girls were involved with the Kickoff Mixer, Pep Cons, Spirit Week, the Lilac Parade, and fund-raising activities. The dedicated cheerleaders purchased new uniforms for the wrestling meets. In November, they traveled with the cross country teams to the state meet.

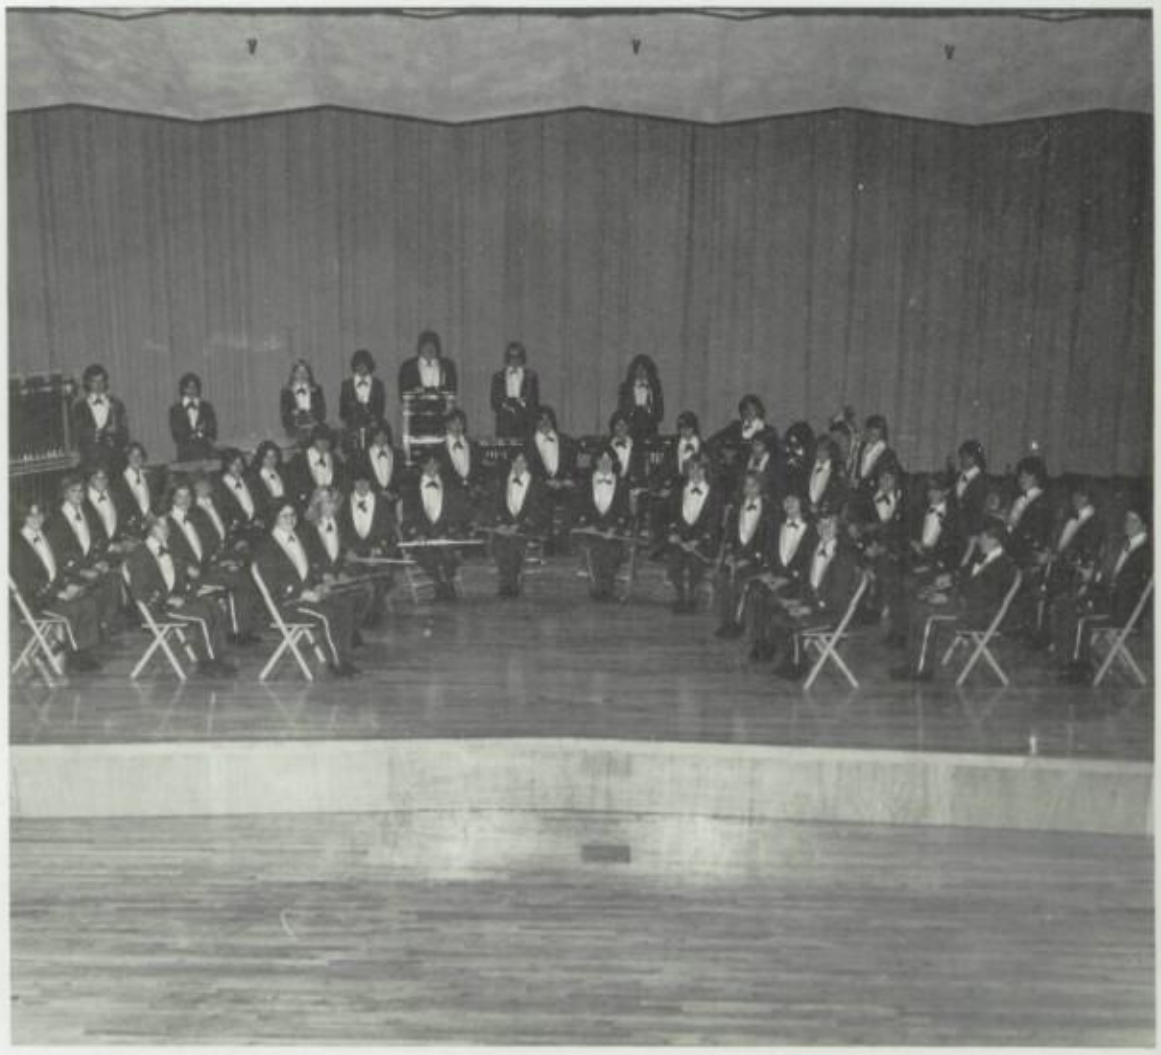
Marching Band Steps High

The Marching Band, the combination of Symphonic and Concert Bands, survived a loss of enrollment and continued to entertain audiences with splendor. Performing at half-times during football season, the band introduced a new style of show and executed many complicated maneuvers. A highlight of the year was an invitation to Wenatchee's Apple Blossom Parade. Under the direction of Mr. Wildey the band has proven to be one of the best Ferris has had.

Orchestra Sounds Delightful

Ferris's Orchestra, directed by Mr. Wildey, was a successful group this past year. Many students particpated in contests, both city-wide and regional. The orchestra performed during the musical and many concerts throughout the year. Even with the enrollment dropping, the orchestra kept its standard up to past greatness.

Concert Band



Performing for the winter and spring concerts was the main activity this year of the Concert Band.

Stage Band performed at the Spaghetti Feed. The group held practices every morning at 7.

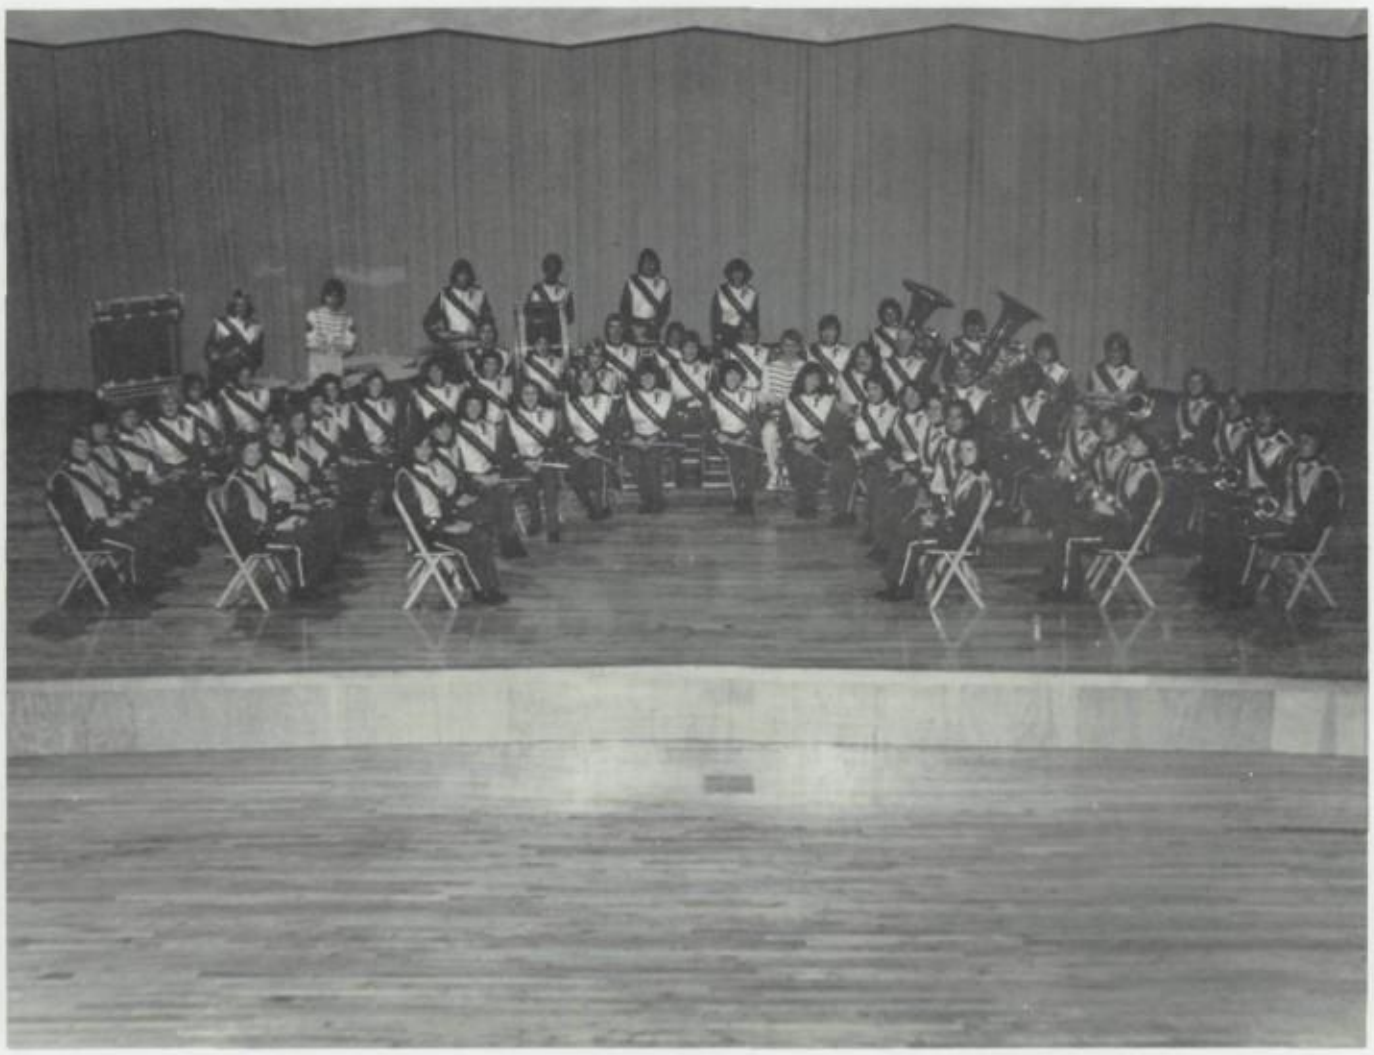
Stage Band

Jazz Band

Jazz Band played for conventions and civic groups in Spokane. Their lively music could also be heard at the Spaghetti Feed.

Symphonic Band showed their expertise in performances at the major home concerts.

Symphonic Band



Camerata

The angelic voices of the Canterbury Belles and the contemporary sounds of Camerata thrilled their attentive audiences this year. The two choral groups performed at community functions and home concerts.

Frosh Choir

Concert Choir

The Concert choir is a group of intermediate singers. The vocalists performed throughout the community, including St. John's Cathedral, and at several home concerts. The choir was also involved in fund-raisers.

The Symphonic choir is an advanced group of singers. The members housed visiting choirs, taped a television releasing for the Christmas season at EWU, performed at Riverfront Park for Christmas, and went on a trip.

The freshman choir is excellent training for future involvement in choir. The frosh choir performed at all major home concerts this year. Several members competed in solo and ensemble contests.

Fall A.S.B. Serves the School

Spring A.S.B. Studies Up

The fall ASB officers commenced their reign in the spring of 1979. The five dedicated students spent the first portion of their term campaigning to get Ferris folders made to be given to the students at no charge. The group helped with Hello Week and the freshmen orientation. Something new sprang from the officers' ideas; they arranged for the spring officer candidates to go on closed circuit television so the student body would know who they were voting for. Through the publicity and hard work, ASB had the first successful Inaugural Ball in many years. The end of November saw the entrance of five new ASB officers.

The spring ASB officers stressed throughout their term the importance of students getting involved in ASB. Their term brought about another successful Spokesman Review Charity Drive, the traditional Alumni Tea at Christmas time, and the Multiple Schlerosis Footsketball Tournament held at SFCC. This year, as usual, the officers faced the long, drawn-out job of organizing the club budgets.

Tricia Day

Chris Cromwell

The Junior Class officers kicked off 1979 with their Christmas Dance, "Ice Castles" to raise money for their Junior Prom held in the Spring. To bring in the new year 1980 they united with the senior girls in a powderpuff football game.

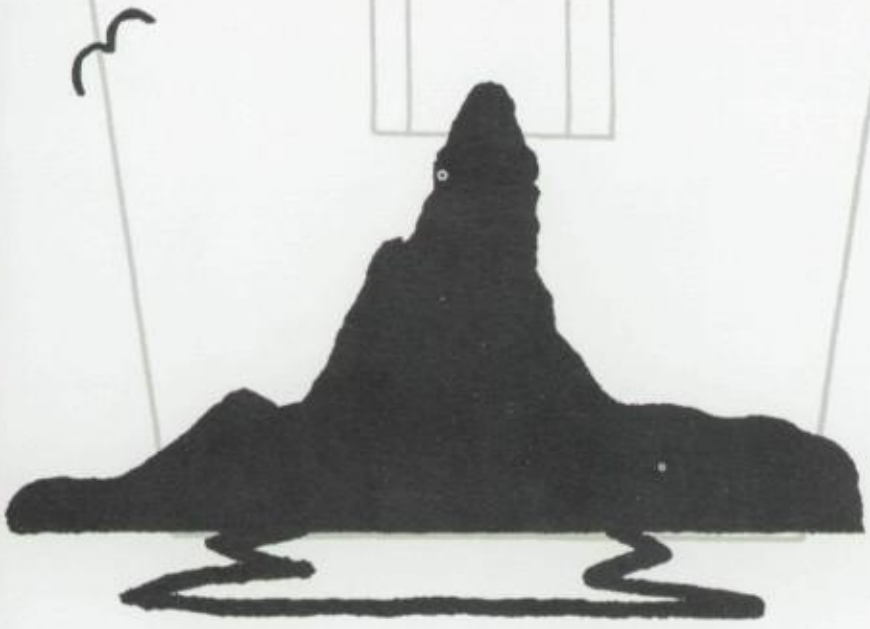
Mommy! Mommy! My ponytails are too tight.

I am telling the truth; I don't want to be here.

I could just throw up.

Here are the plans. Memorize, then eat them.

A TIME TO RISK
To laugh is to risk appearing the fool.
To weep is to risk appearing sentimental.
To reach out for another is to risk involvement.
To expose feelings is to risk exposing your true self.
To place your ideas, your dreams before the crowd is to risk loss.
To love is to risk not being loved in return.
To live is to risk dying.
To hope is to risk despair.
To try at all is to risk failure.
But risk we must.
Because the greatest hazard to life is to risk nothing.
The man who risk nothing
does nothing
has nothing
is nothing.
He may avoid suffering. . . but
He simply cannot learn, feel, change, grow, love, live.
The sun sets on the seventies
but there is a dawning of a new decade
. . . our decade.



'80 Seniors Rising Strong

Rachel Kester, Julie Fox, and Marvin Wilson demonstrated excellence in the Choir Dept. They have performed at several concerts and attended many competitions. Julie and Marvin were chosen for the All-State Choir in February.

Doug Loeffler, Bill Henton, Jim Annis and Joe Isner represent Ferris in the intelligence area. All were high scorers on the PSAT/NMSQ test which qualifies them for scholarships. Good Luck Guys!

Sheryl McGrath contributed her artistic skills to the Chronicles staff by creating many of the logos and artwork.

Super Senior Homeroom F126 has well earned the title. They raised $305 for the Christmas Charity Drive by having a goldfish eating contest. From Left to Right: (Bottom Row) Wendy Troester, Chris Clack, Ellen Greenough, Jon Kinzel, Doug Crawford, Jon Schad. (Middle Row) Dave Payton, Sherri Mikkelsen, Renee McNally, Mary Walker, Meg Sweeney, Bob Long, Ronna Moore, Peggy Legal. (Back Row) Deane Ozuna, Brian Ballou, Nick Weber, Stephanie Howe, Ralph Todd, Jeff Westmoreland, Glenn Burnett, Gretchen Jones, Stephanie Rutledge, Mary Silvernale, Ron Hargrave, Mary St. John, Mr. Walsh.

Stephanie Johnson, Meg Sweeney, Tammy Kilgore, and Al Pokorny were outstanding in the area of debate.

VP Gary Langbehn and Historian Suzy Koppa excelled in DECA. Gary attended the Governor's Conference and Suzy organized the mistletoe sales. The annual Pizza Feed was another activity.

Sherri Mikkelsen and Mike Loundigan excelled in their field, Ornamental Horticulture.

Tom Dean, Karen Koster, Craig Perrigo, Mary St. John, Joanna Montgomery, and Cathy Shepard showed excellent dedication to the instrumental department. Playing for cons, games, and concerts kept the band members busy and the orchestra attended All-State in February.

Ruth Moore, Helen Byer and Ranel Michaelis displayed outstanding devotion to Valkyrs and the promotion of school spirit.

Karen Koller, Deena Funk, and Nicola Smith are outstanding seniors in the art department.

Boy, these seniors are outstanding in their field.

Tom Tate, second semester Chronicles Editor, Brett Thackrey, Exeter/Chronicles Photographer, Mary Walker, Exeter Editor, and Bobbi Giesler were chosen outstanding in Journalism.

Whiz Kids in High School Bowl

The 1979-80 High School Bowl Team, led by captain Todd Andrews, put in lots of time and effort to prepare for their competition. Advisor for the group was Nina Coppay. Pictured from l to r are: Mike Tanksley; Todd Andrews; Mark Woodward; Kevin Weir and Susan Kelly.

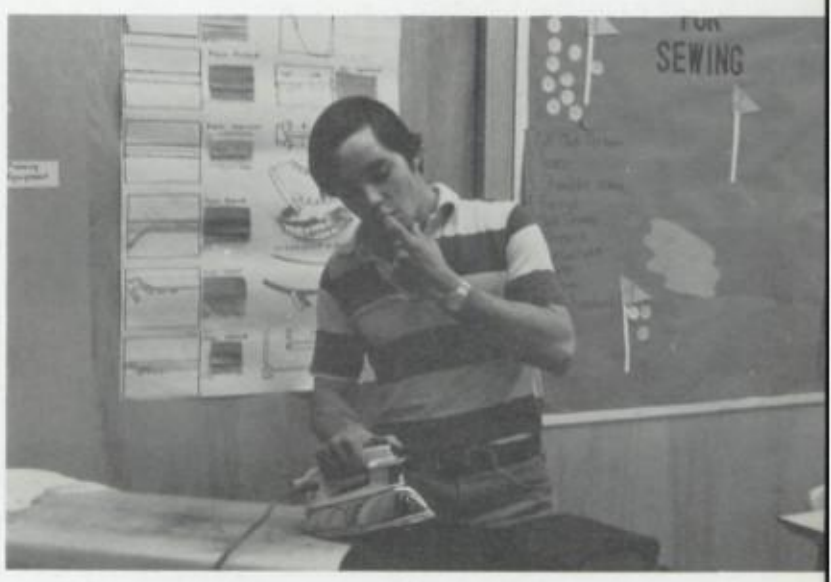
Ferris Fashion Board — 1980

Jennifer Beschel was Ferris High School's Bon Marche Fashion Board representative for 1979-80. She worked in the Bon's "Cube" and modeled in numerous style shows. Jennifer also entertained small children at the Christmas and Easter brunches. Varsity basketball, Young Life and Campaigners, Key Club and being the President of Ferris' very active Russian Club are some of the activities that have kept Jennifer busy this year.

1980

VALEDICTORIANS

Tom was involved in Key Club and was the treasurer. In DECA he was the Governor. He also was involved in Evergreen Boys' State Delegate, Honor Society, Tennis, Wrestling, Debate, Speech, and was a former class president.



Doug has been involved in Key Club, French Club, Wrestling, Symphonic Band, Jazz Band, Honor Society, and the Henery Kinzel Fan Club.

Lisa has been a Freshman, Sophomore class Secretary and Treasurer. Also the Junior Class President, and Secretary of Honor Society. Her activities have been an A.S.B. Representative and being in German Club, Ecology Club, Speech and Debate, Ke Club, Basketball, Cross Country, Civic Theatre, Roadrunners Club, and Youth group.

Bill was involved in Debate, Exeter, Honor Society, Key Club, Varsity Golf, D.I.K. Crew and was the Senior Class Treasurer.

Joe was the Senior Class Vice President and was in Key Club, Lettermen's Club, and Varsity Wrestling.

Kristin Erickson, a young star.

Lisa Horton shows great form.

The girls' golf team has been No. 1 in the G.S.L. for the last nine years. Even though this year we weren't in the winning bracket, we had a great team and an enjoyable season.

Our Senior Golf Squad has shown great ability and a great sense of humor. A good group and a lot of fun. Good luck to you boys.

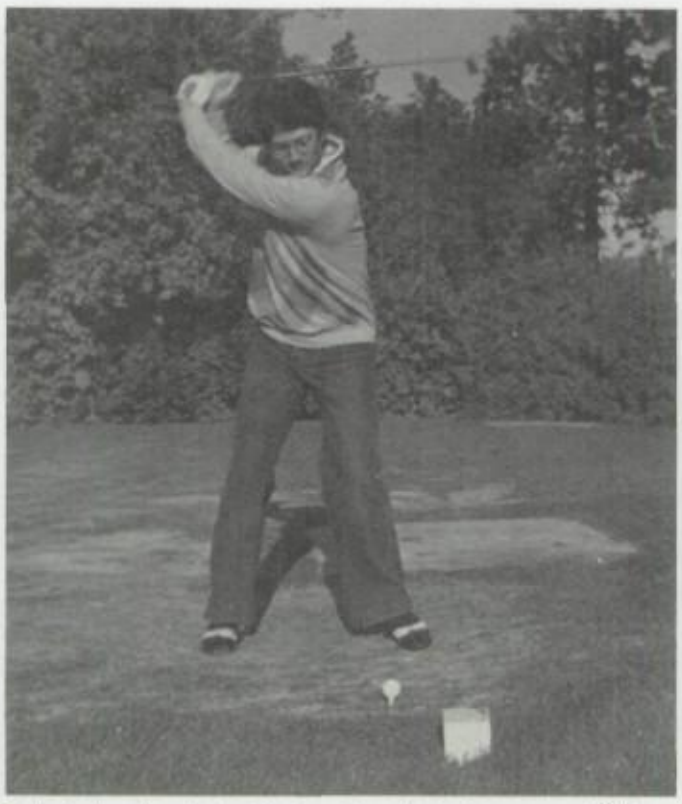
Player, Palmer, Nicklaus, Watson stroll the fairway at the Canyon.

The boys' golf team this season was lead by a solid core of ten seniors, with Hege, Todd, Henton, and Ewing sharing the top four spots. Although the squad never reached its full potential, the boy golfers were very much involved in the heart of the league's tough competition.

The girls' squad, a young team but one that was expected to again go undefeated, also had trouble fulfilling their potential, but still played well enough to finish third. Kristin Erickson, Cathy Shepard, and Lisa Horton were the standouts.



Ralphster, the big stick, about to rip one off the tee.

Hege, expert shot-maker, is undaunted even in rocky lie.

Henton amazes admirers with smooth birdie stroke.

Grant exercises his mastery of the spank shot.

Under the fine coaching of Gary Anderson, Saxon boys' tennis had an outstanding record of 11-3. Led by seniors Cal Larson, Todd E. Nelson, and junior Bill Bialozar, the team placed second in the GSL. Credit also goes to solid players Gordie Fong and Mike Moldonado for their upset wins over L.C.

Cal Larson qualified for the state AAA tournament held at Mercer Island by placing second in singles in the league.

Hopefuls for next year include Terry Saysit and Matt Girvin.

Saxon girls' tennis achieved an eight-and-five record for the 1979-1980 season. This was a close-knit group, and the girls enjoyed playing for Coach Schroeder (some of the girls called him Dad). However, both the Fall and Spring seasons were cut short due to the strike and Mt. St. Helens, respectively. The future appears bright for the program, as shown by the fact that two of the top five players were only sophomores.

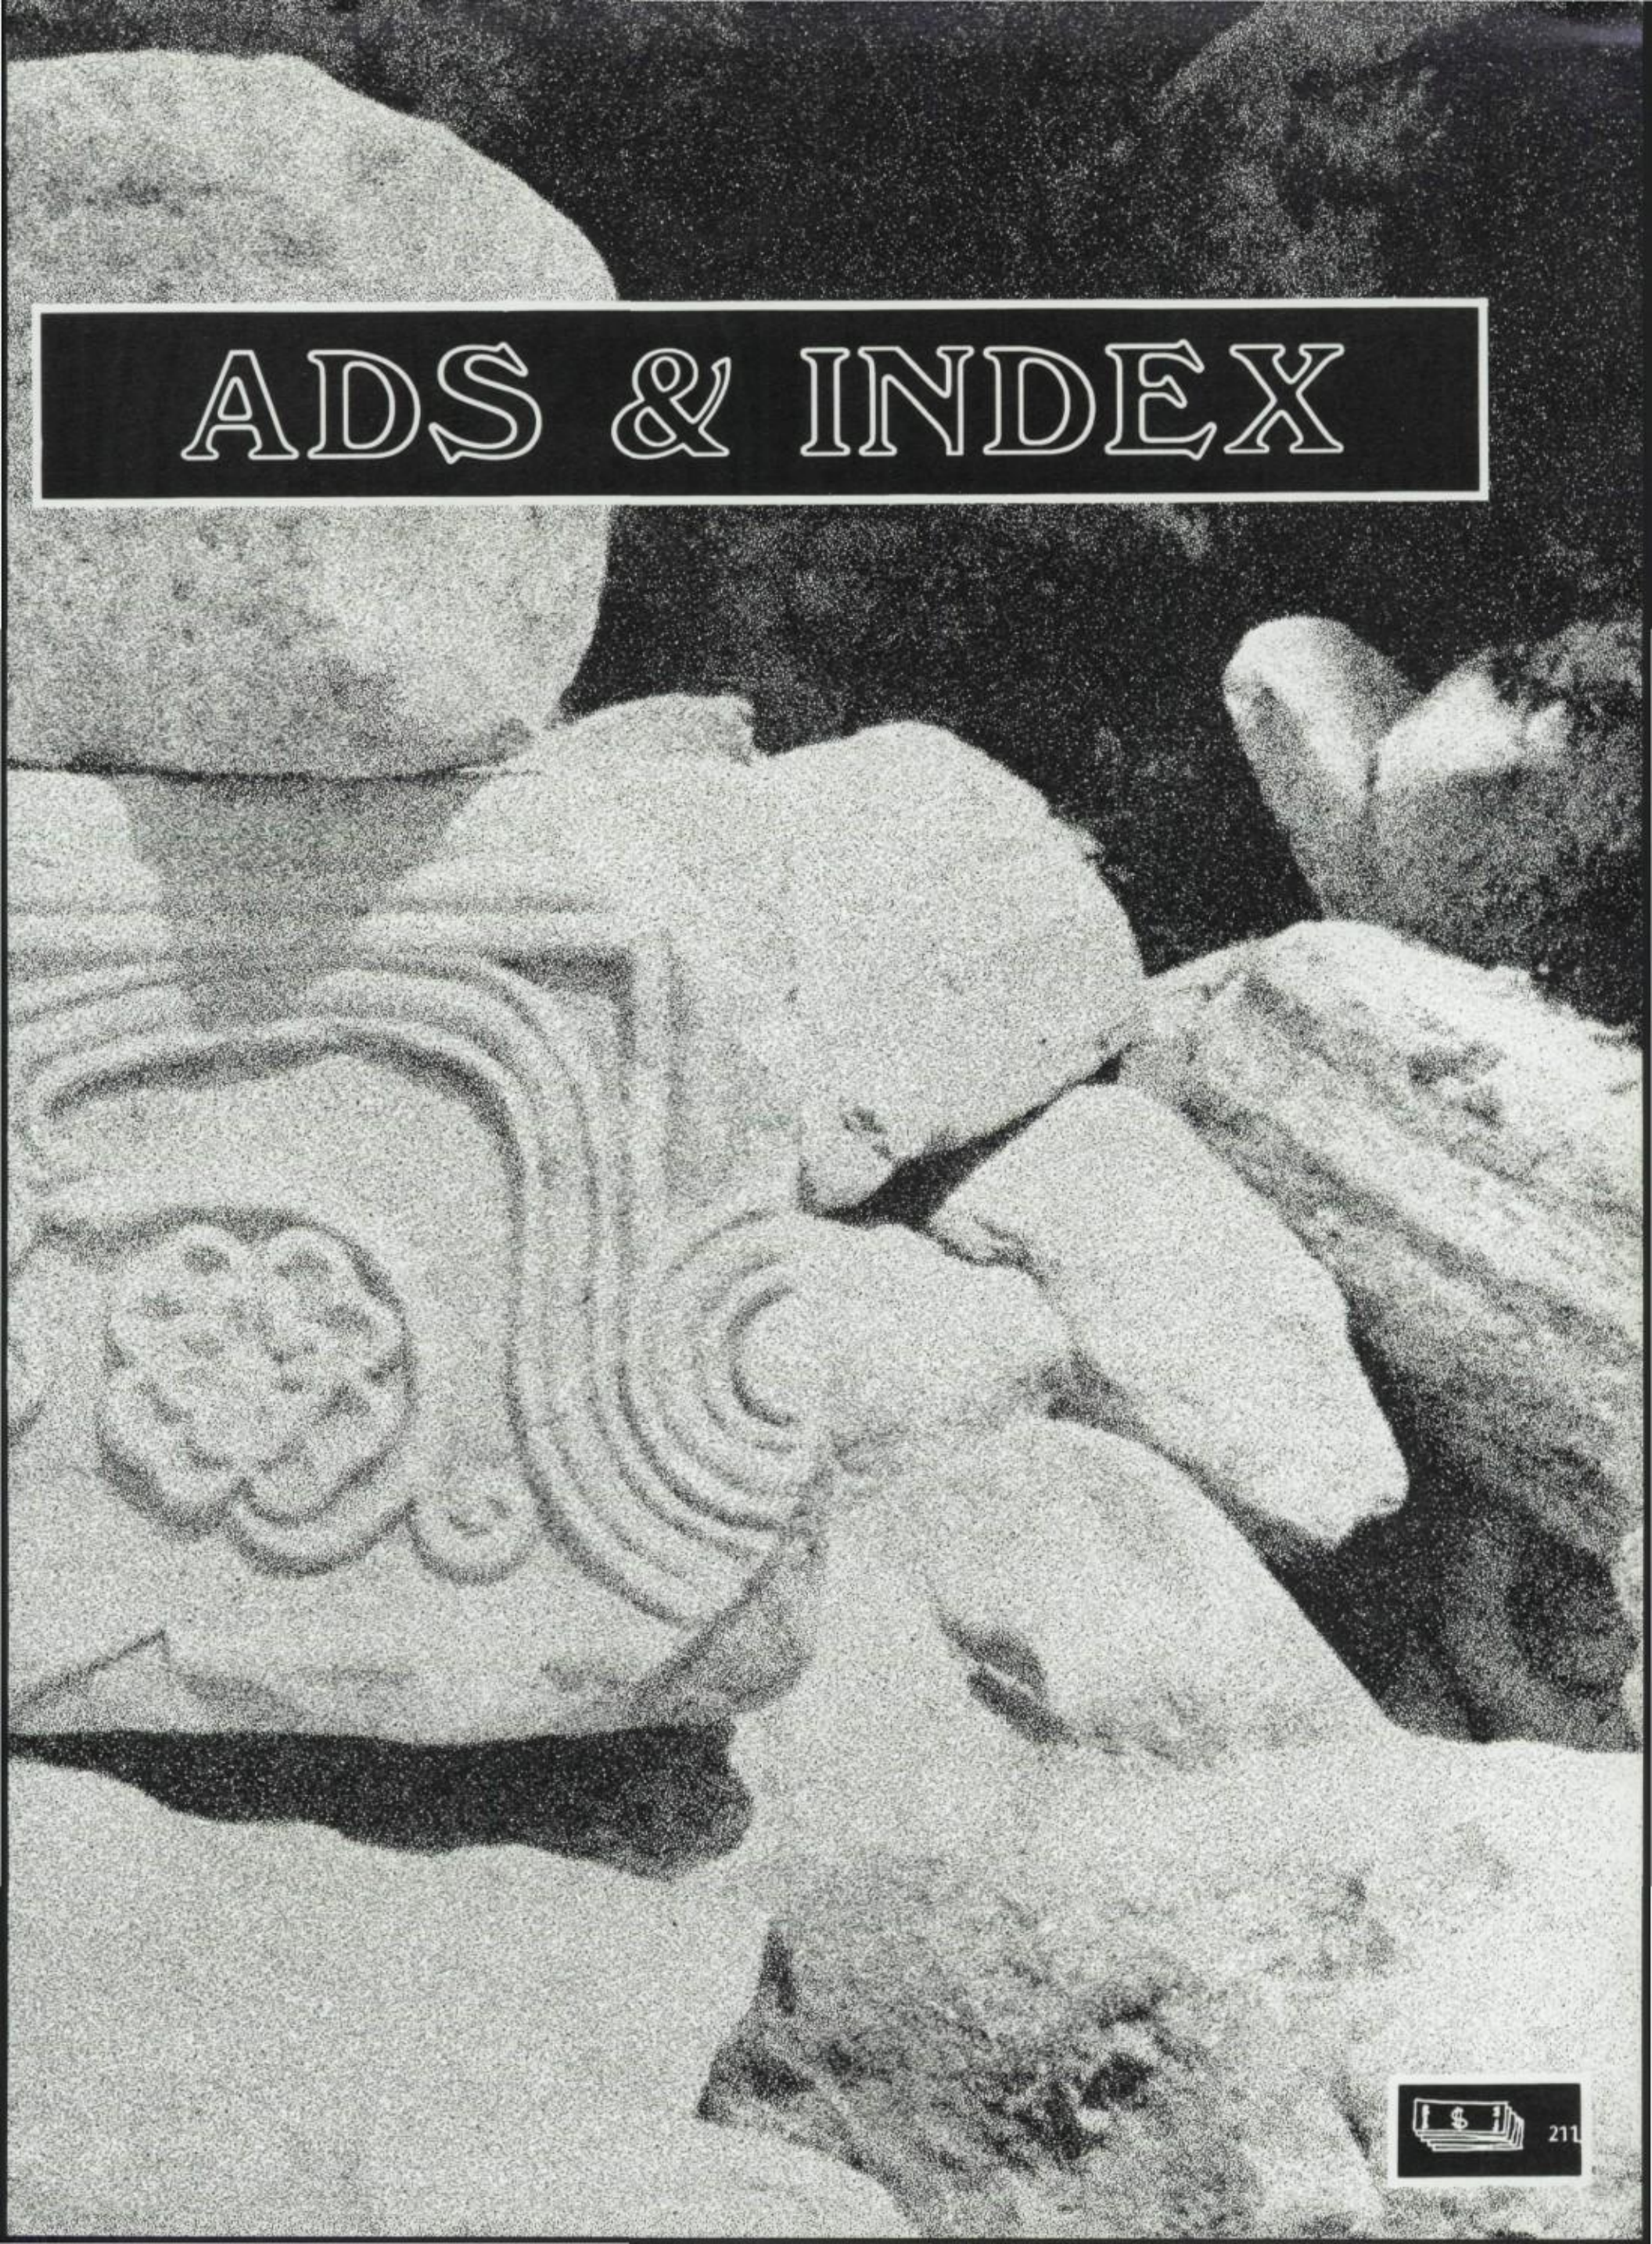
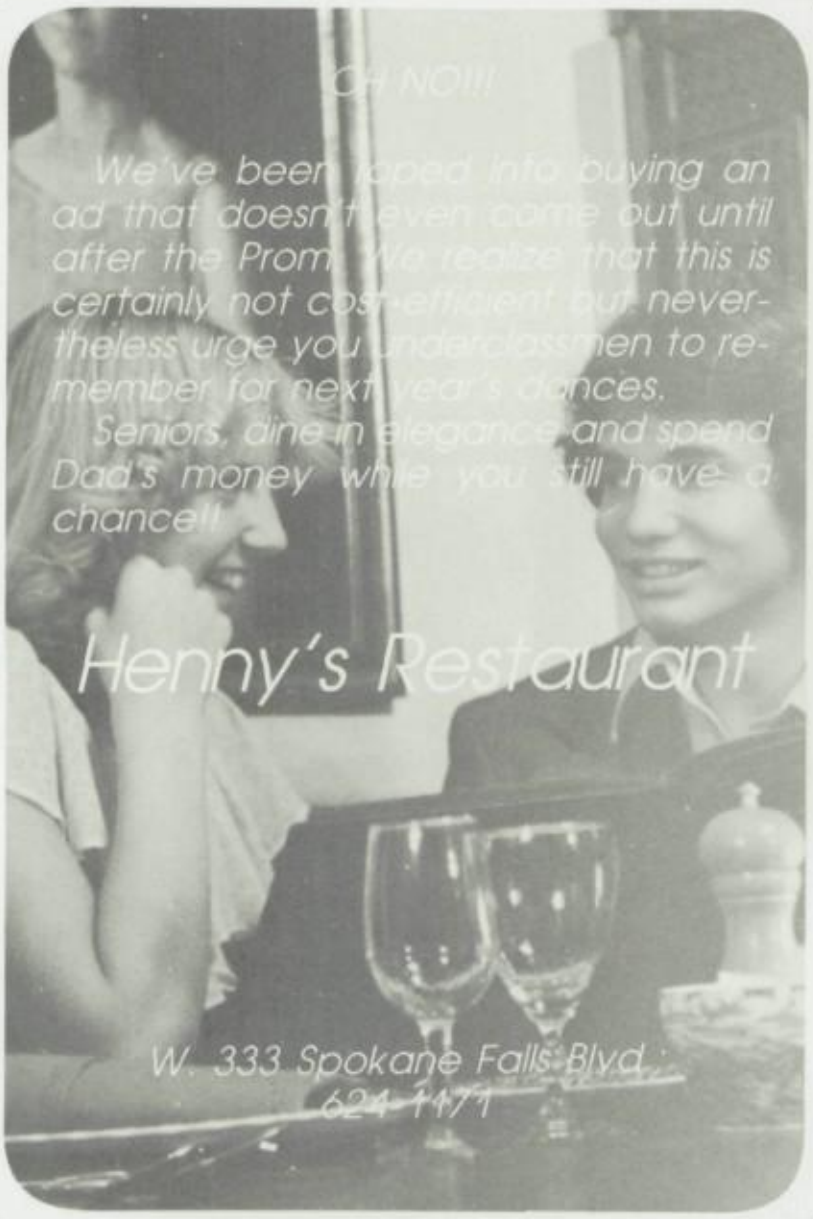
ADS & INDEX





We've been duped into buying an ad that doesn't even come out until after the Prom. We realize that this is certainly not cost-efficient but nevertheless urge you underclassmen to remember for next year's dances.

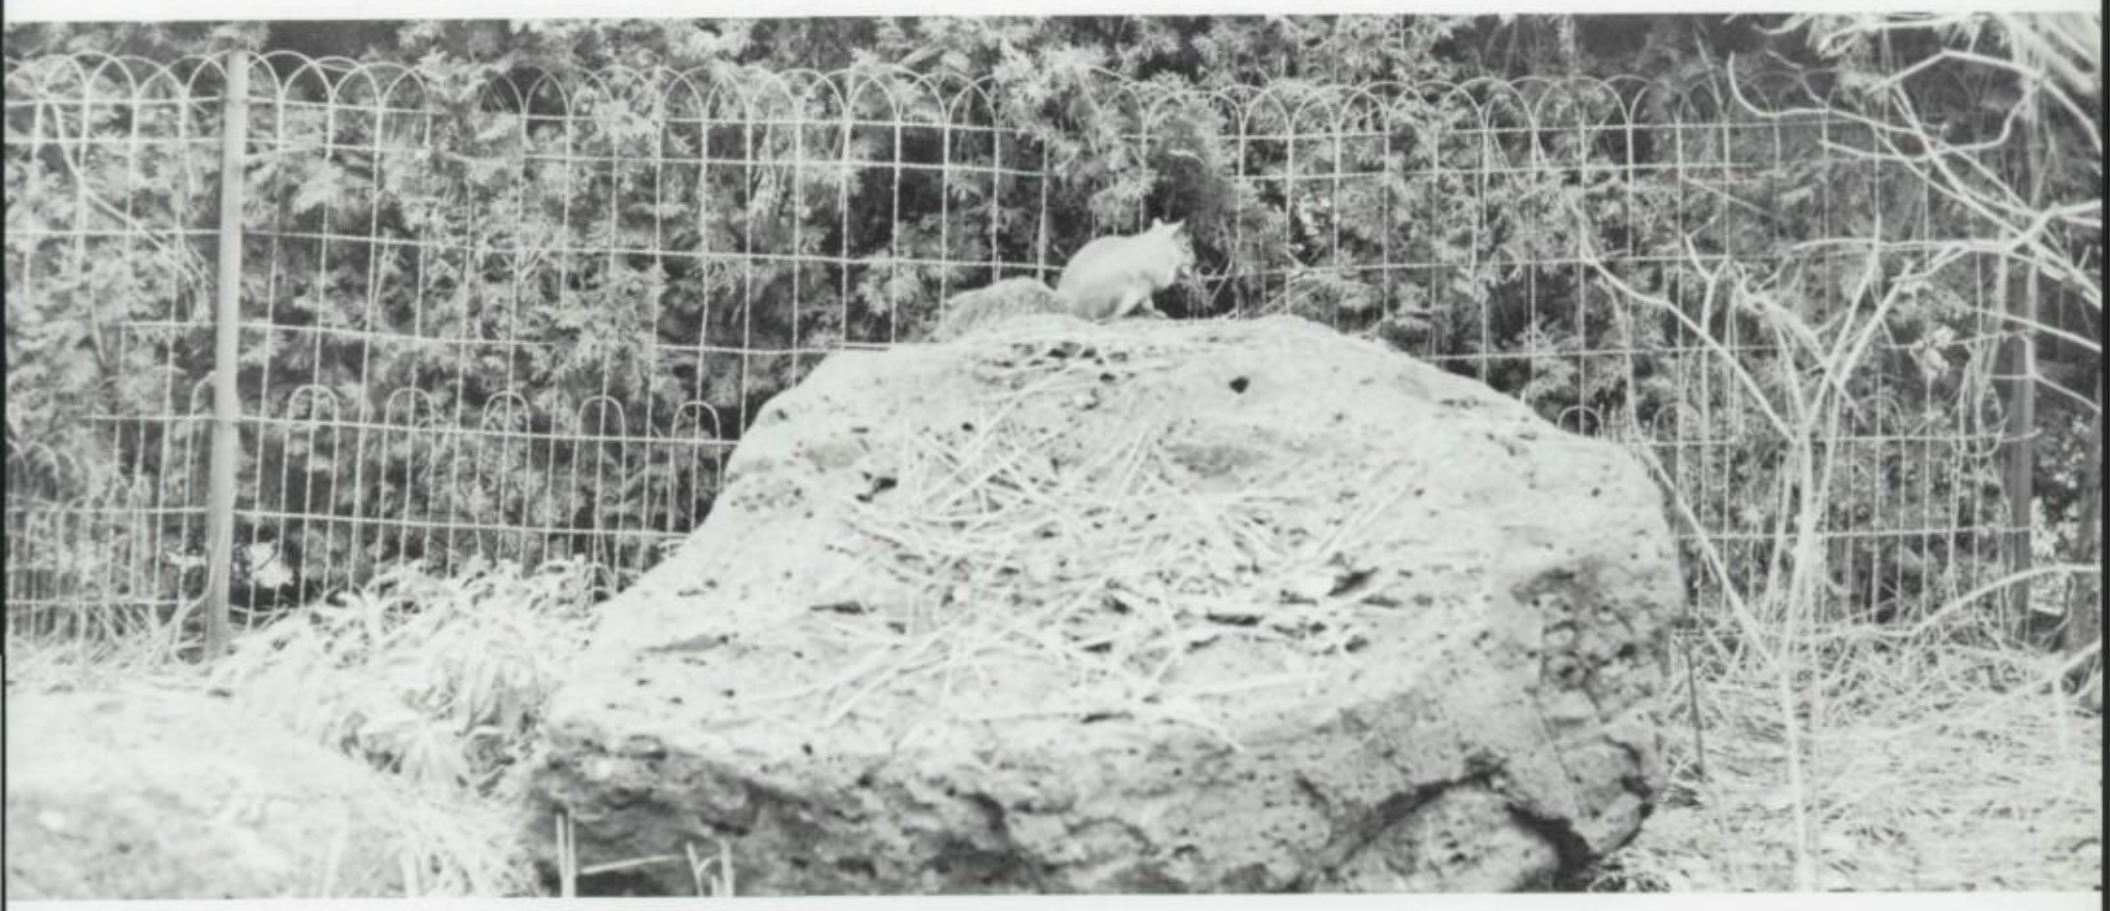
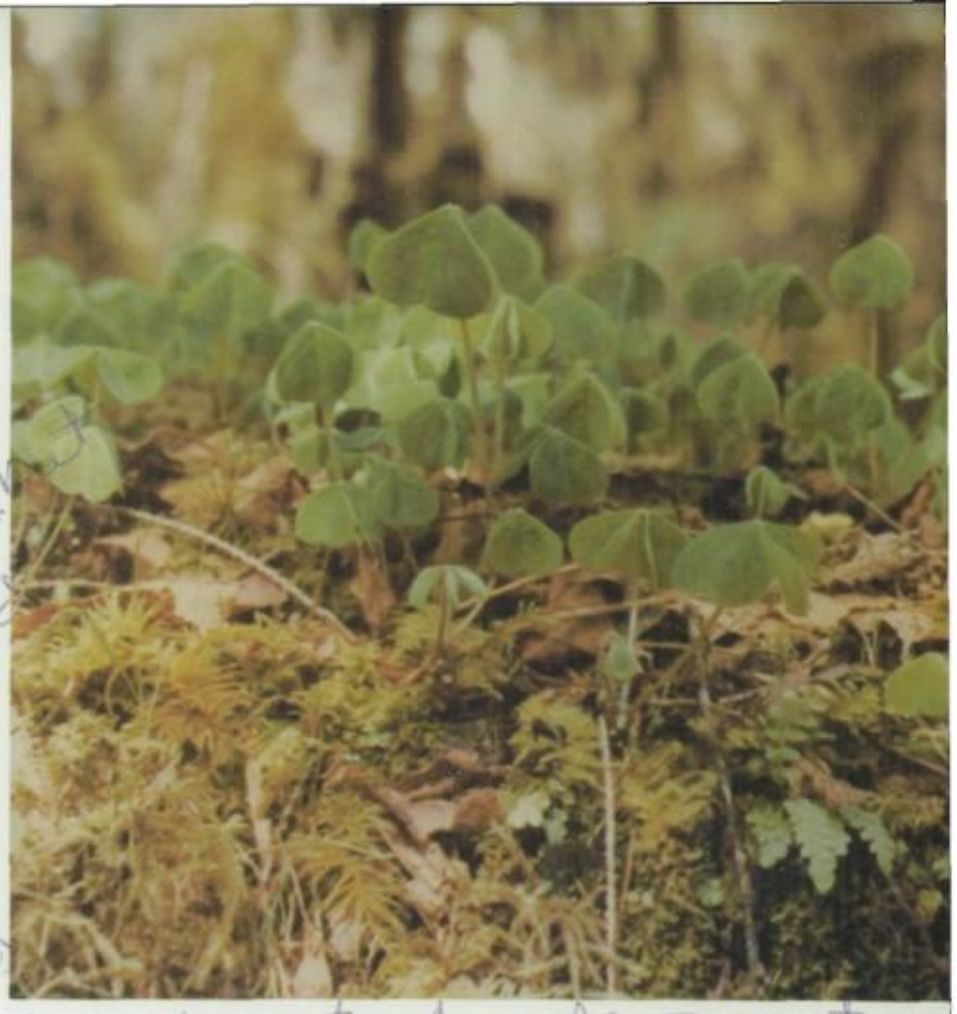
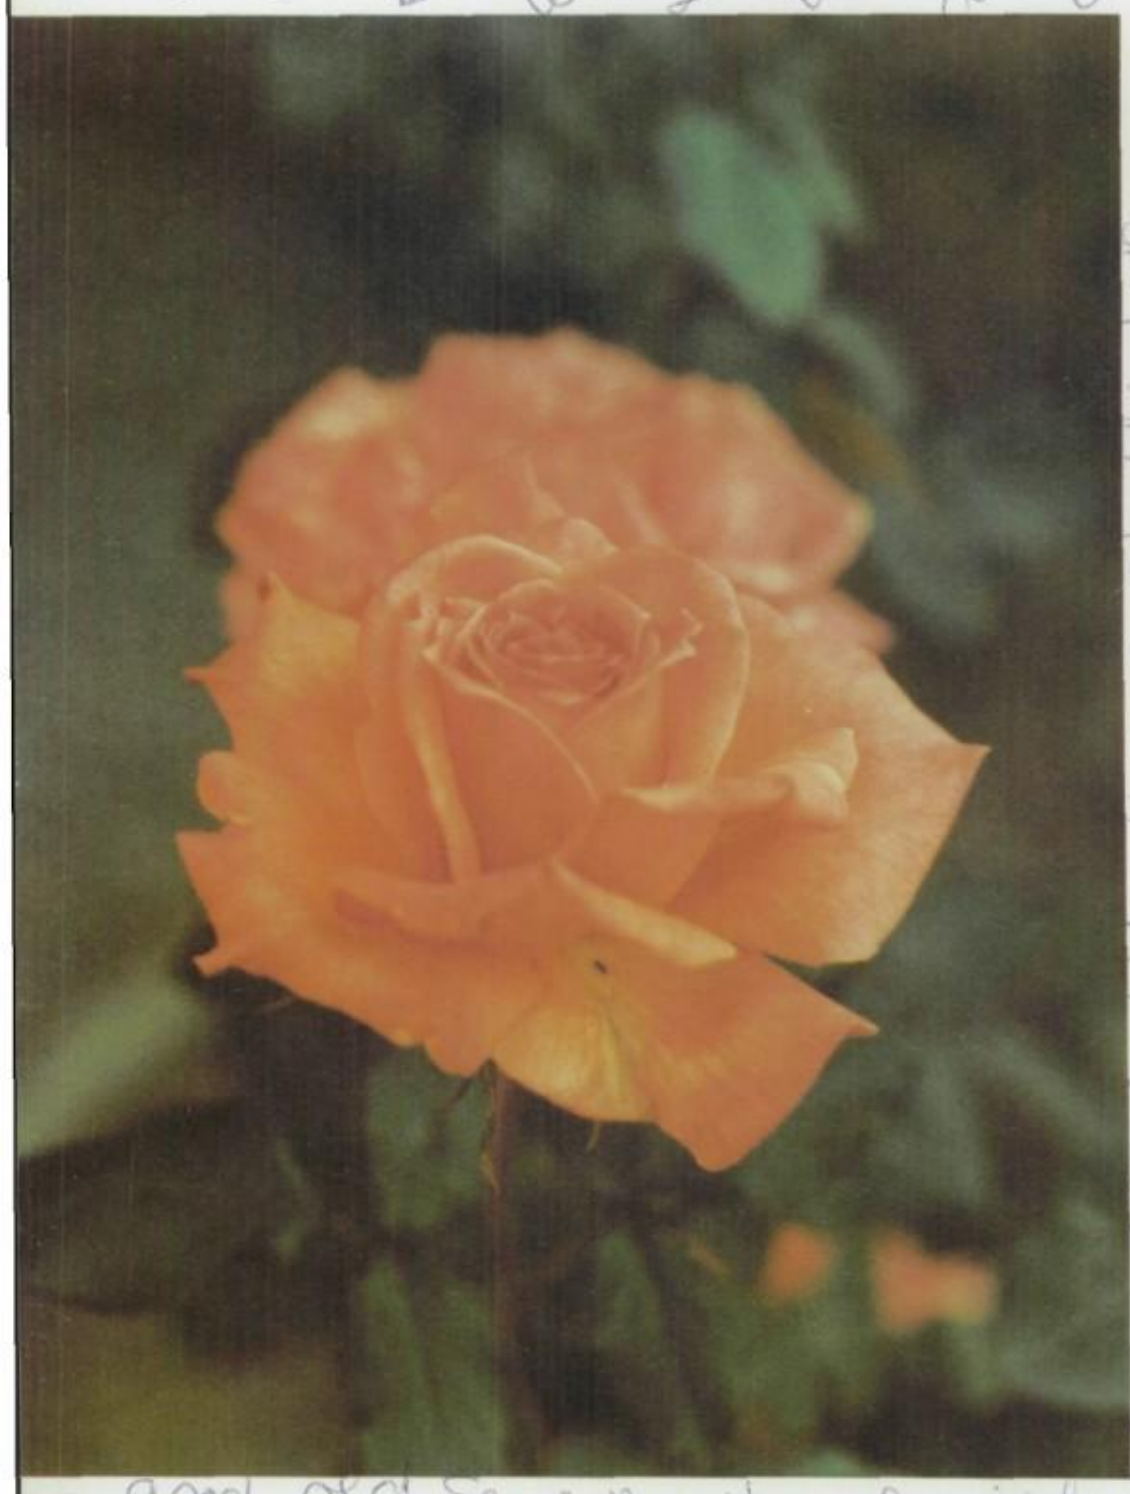
Spring . . .

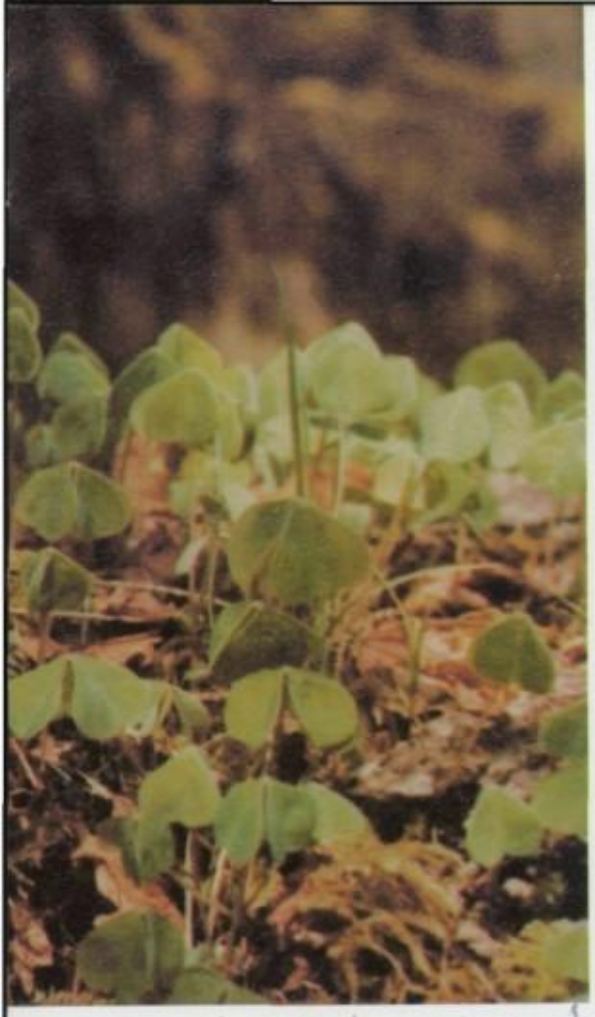
Like the snow giving way to the green grass of spring, people shed heavy coats and turn their attentions to brighter days. This long, silent stretch of the school year breeds anticipation and impatience, yet a fresh new feeling prevails. It's another beginning all over again. Later, when the chilly days of March turn to the warmer days of April everyone can feel the excitement in the air. Prospects for the coming summer or expectations of graduation cloud peoples thoughts so that daydreaming is a constant habit.



Days get longer and the sun gets stronger. The earth blooms in vibrant colors brightening each day. Baseball games and track meets fill student's afternoons. Homework is hard to concentrate on. School is almost out. An ending and a beginning too, of the sunny days of summer.





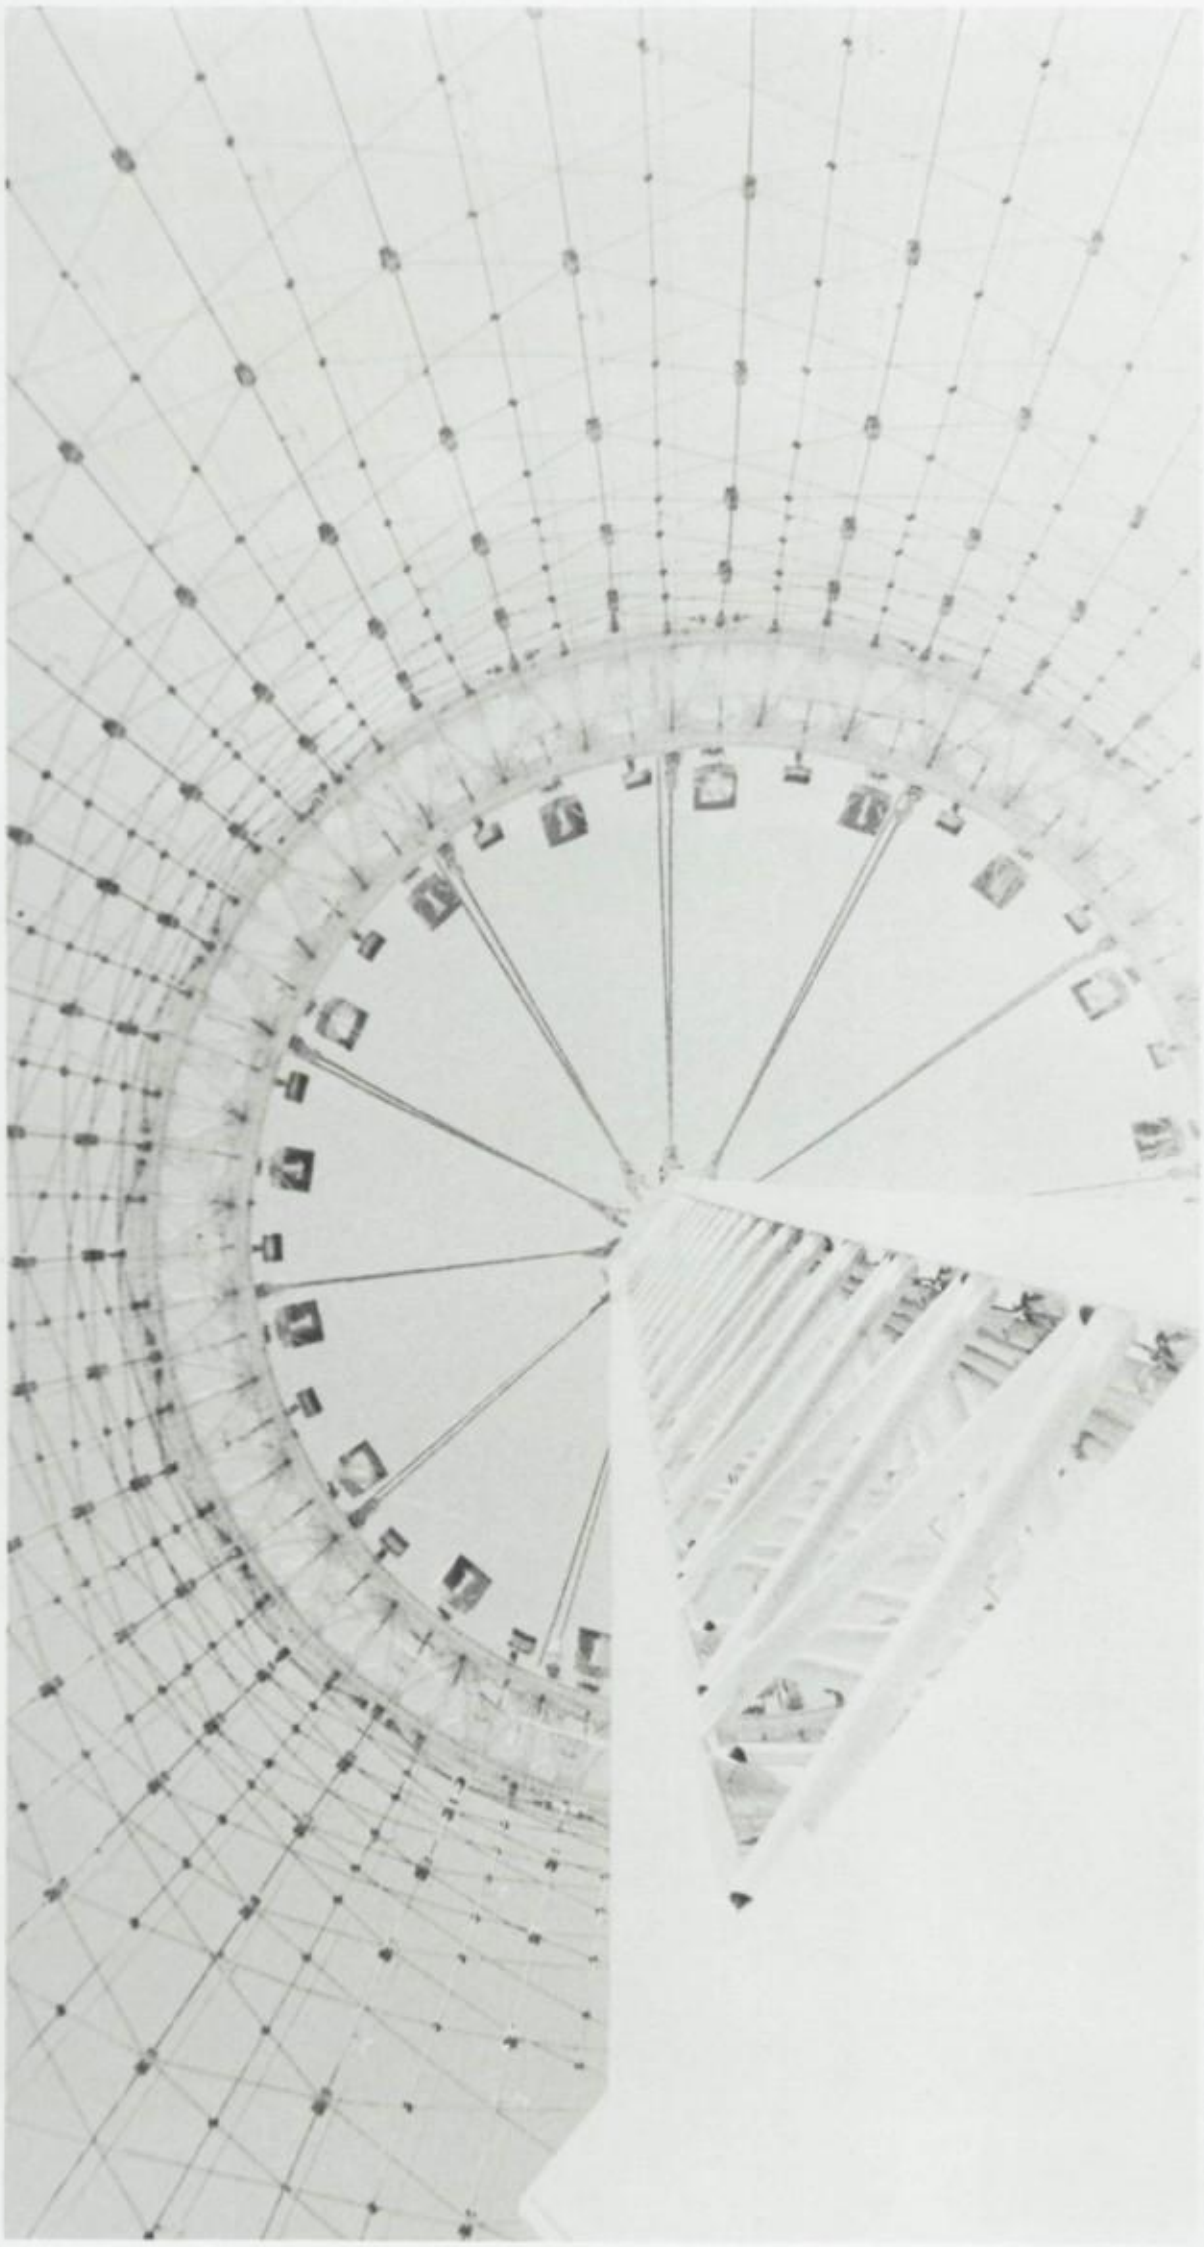


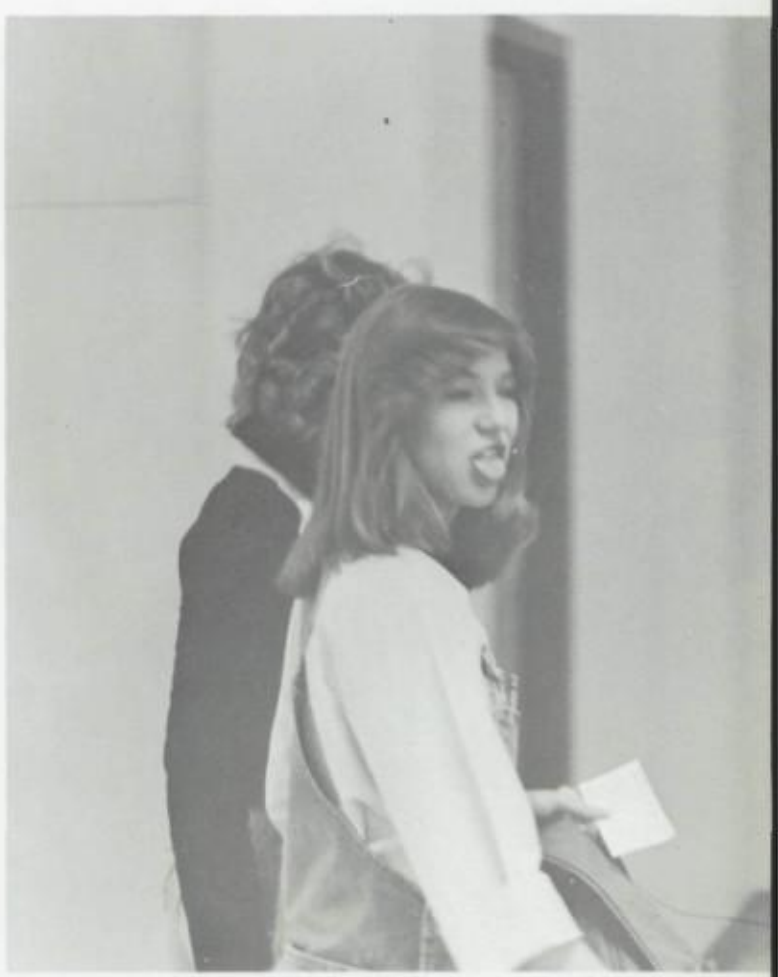
Rember smile and today and tomm. ones will smile back at you.

n going to go to the pullman games too, well maybe

Summer . . .

Long days and short nights left to you for whatever you choose. Summer is a lot of things to a lot of people. Some relax and laze around a lake or pool, others work or go to school. Regardless, it's a time of individuality. A happy time where the weather lifts our spirits - sunny, hot days, warm clear nights. A break in the monotany of school days, always remembered and laughed about all year long.

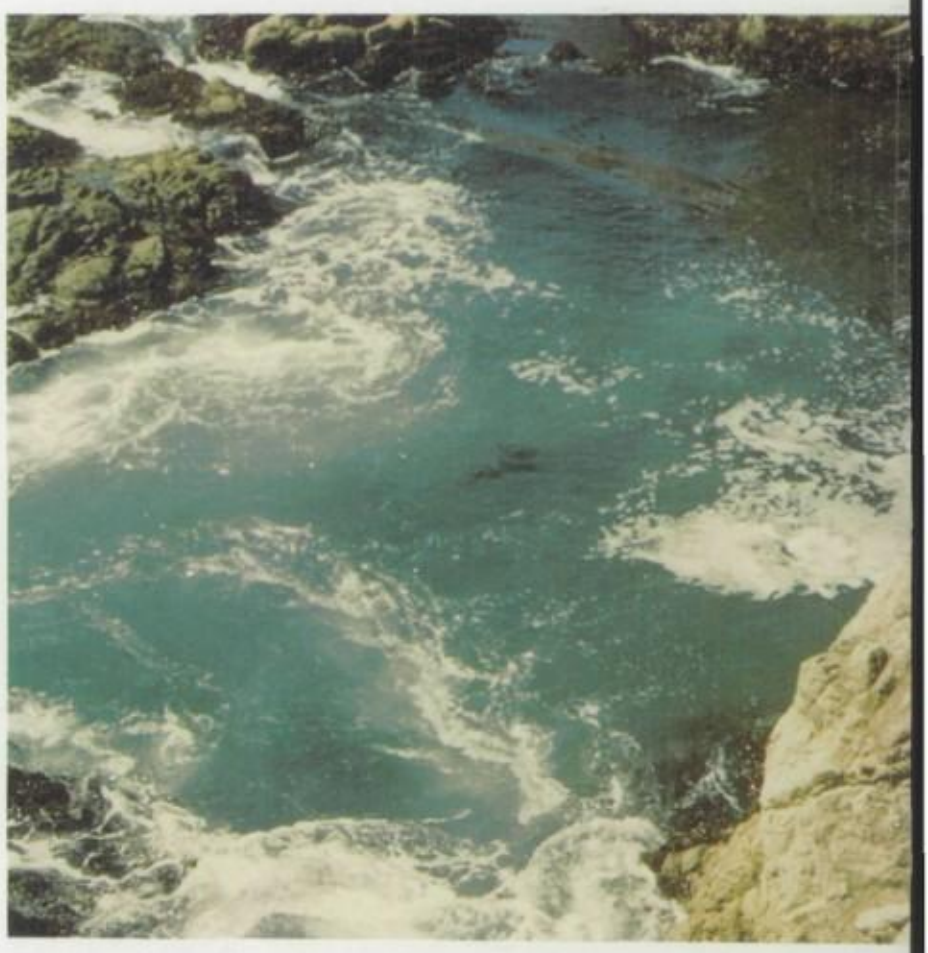


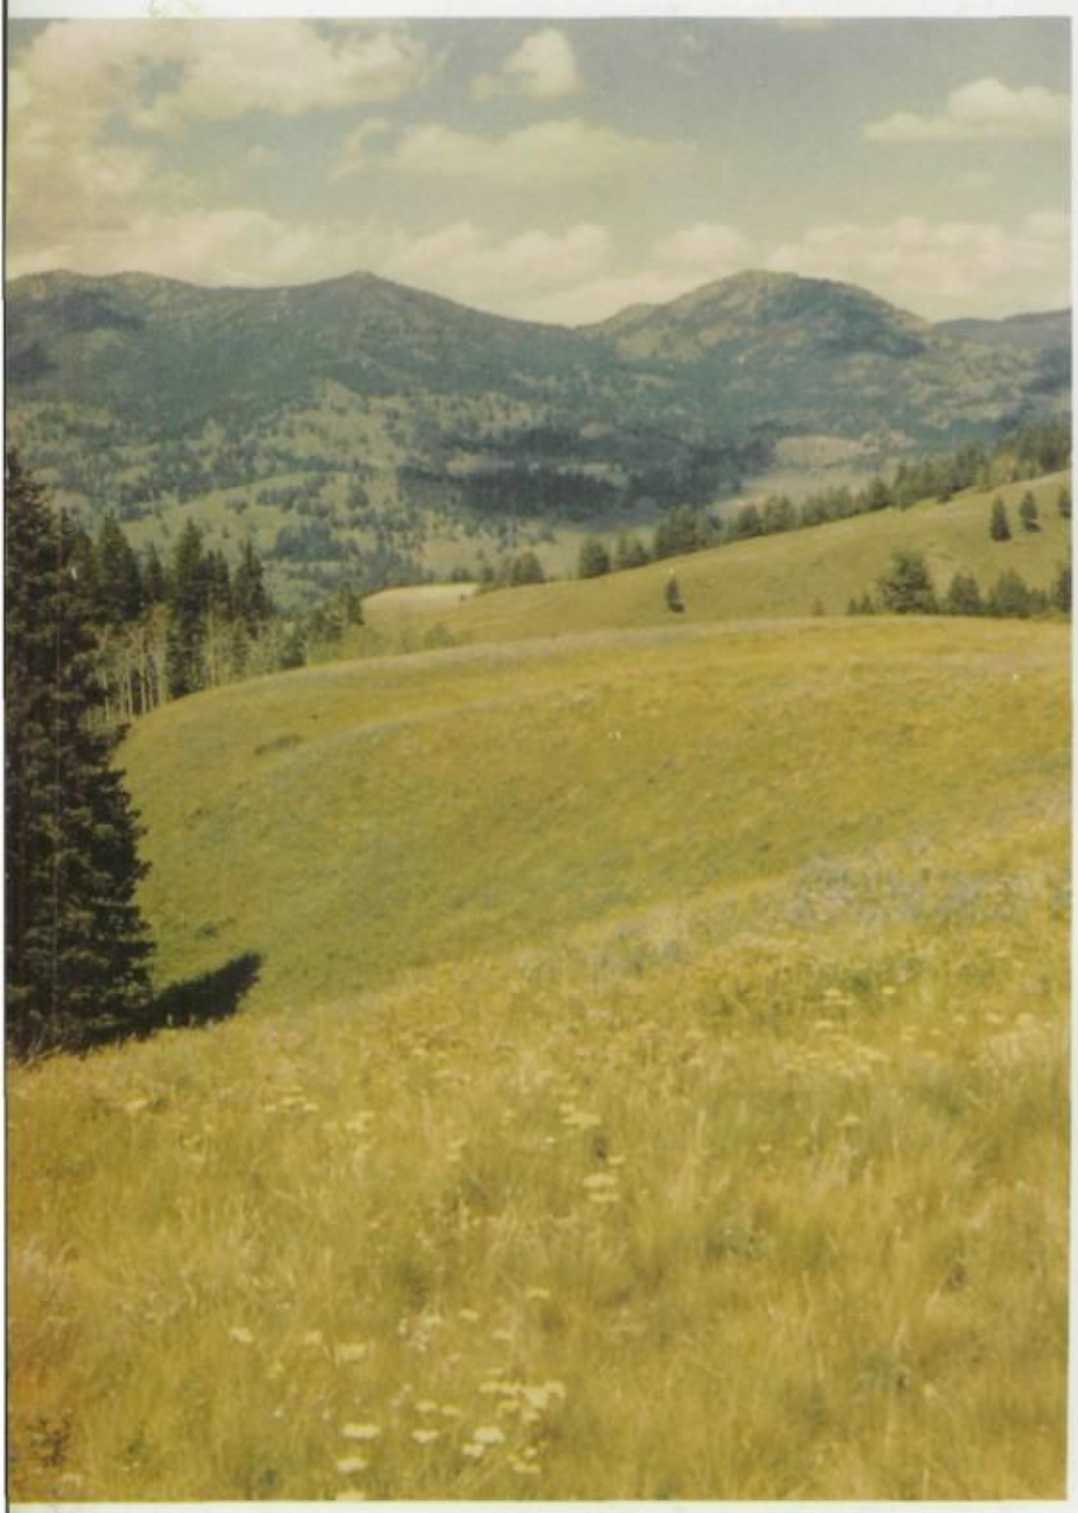


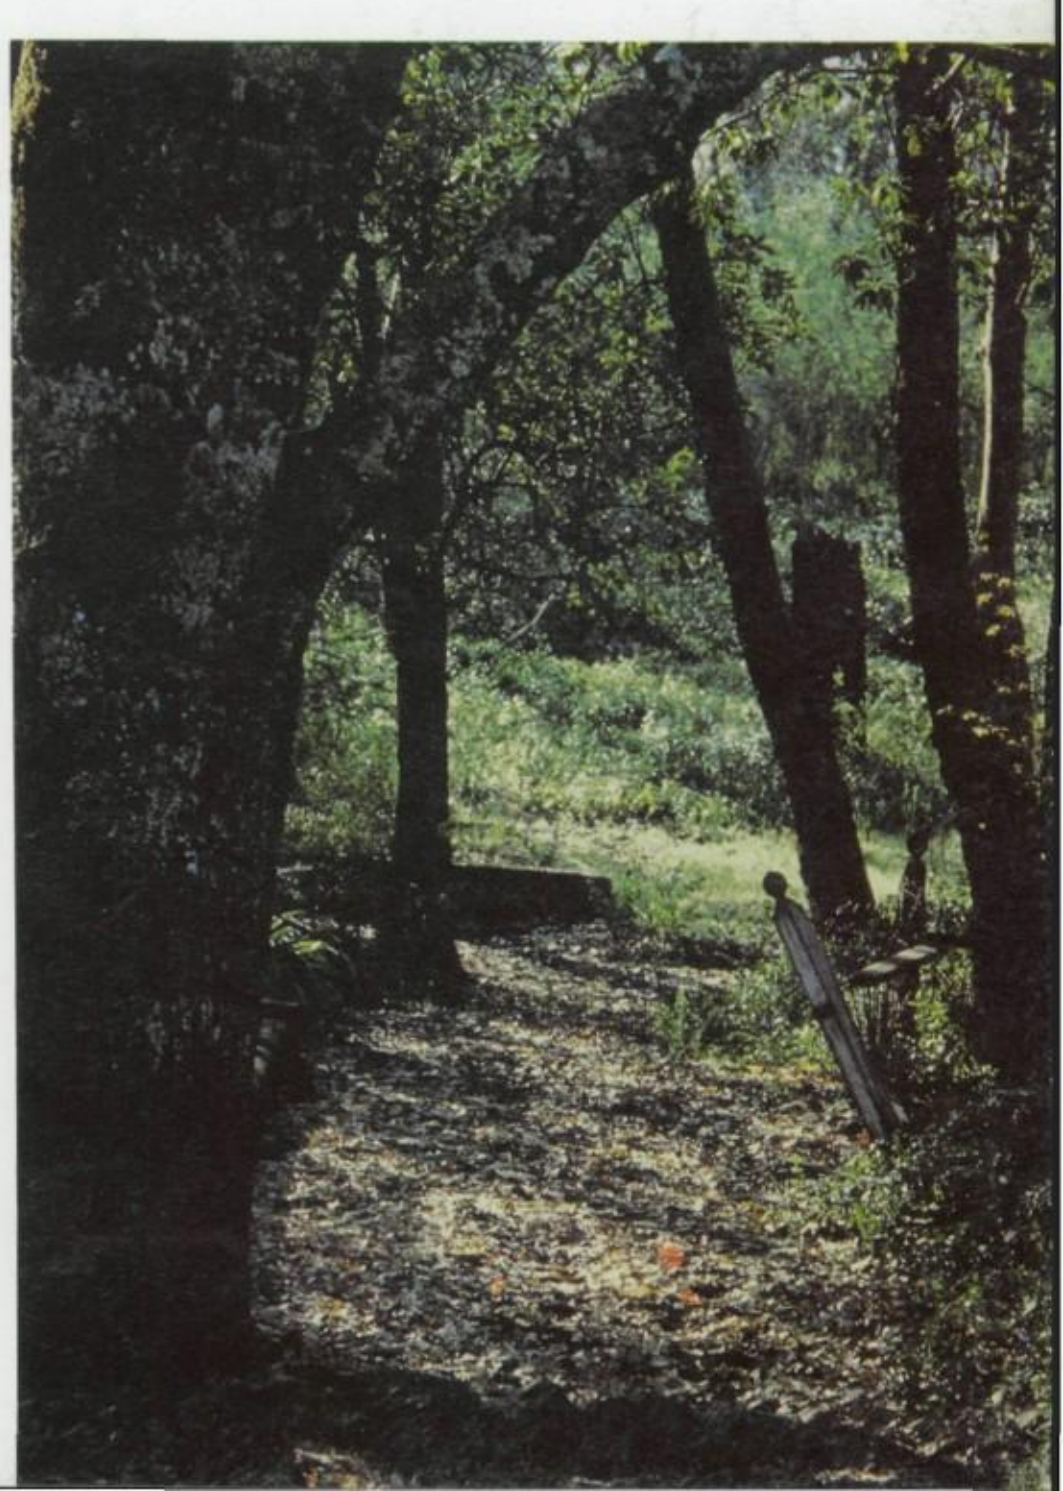
DONKEY
BASKETBALL

Time goes on and on, never stopping to let anyone catch up. At least during the summer the pace slows down. Families take trips to favorite places and relax and enjoy their surroundings. A season of time.

Seasons . . . we change just as the earth changes. Following a cycle that is irreversible yet repeatable. High school—the verge of a new season and the conclusion of seasons past.







Another year, but a rather special one. A new decade. I hope that this yearbook covers well all the memories you have of 1979-1980. It takes loads of time and effort to put out a yearbook. The 1980 Exeter staff was no exception. They worked their tails off trying to put everything together "just right", but most of all they had to put up with me, the nagging editor. So THANKS is due to:
